is hung above and because of having no under-shadow throws its beautiful, brilliant light everywhere. It cannot explode, can be filled while lighted and is always out of the way. It burns "old fashioned" kerosene, giving an incandescent, clear, soft light. Its soothing rays invigorate the skin and rest the eyes. It is always ready, easy to operate, no smoking, no odor, no glass-ware to remove in lighting or extinguishing. A better light at one-eighth the cost of other illuminants. Instead of the trying light and dangers and trouble of Gasolene and Acetylene use the soft, cool light of The Angle Lamp to work or play by. 20 styles. Call and see the lamp demonstrated.

LIKE MARCH TO THE TUILERIES.

Scenes in St. Petersburg's Streets Today Resemble Those Preceding the Great French Revolution.

ST. PETERSBURG, Jan. 21.—St. Petersburg this morning presents the appearance of a beleaguered city. The military are in complete possession. The streets are lined with troops, galloping squadrons of cavalry are sent everywhere, gendarmes are concealed in all the courts and the closed factories and mills are surrounded by cordons of police and cossacks.

RUMORS DENIED.

ST. PETERSBURG, Jan. 21.—Rumors that M. Smirnov, manager of the Putilov Iron Works had been assassinated in the night, were denied this morning. It is also declared that Father Gapon has not been arrested.

INDUSTRIAL ESTABLISHMENTS CLOSED.

ST. PETERSBURG, Jan. 21.—The strikers are continuing their agitation with unabated activity. Throughout the morning they have been parading the main streets of the centre of the

city and closing every industrial establishment. The agitation hitherto has been carried on with remarkable absence of actual violence, the committee of the Union having issued instructions that everything be done as quietly as possible and that no personal violence be offered the police. Street traffic has been almost entirely stopped. The demonstrators filling the streets politely making way for passing soldiers.

PEOPLE IN TERROR.

ST. PETERSBURG, Jan. 21.—Despite the energetic measures taken to assure the safety of the city the inhabitants are in a state bordering on terror. The wildest rumors regarding the intentions of the mob are afloat and many small retailers did not open their shops this morning. An edict has gone forth that no shop must open tomorrow when the great assemblage on the palace square is scheduled to take place.

WILL PROBABLY ACCEPT CALL.

It is expected that Rev. D. Hutchinson will come here from Moncton.

FIRE UNDERWRITERS ARE WELL PLEASED.

With the Two New Chemical Engines

But Do Not Think Much of the Way They Have Been Housed and Will be Handled.

The new chemical fire-extinguishing apparatus, following their test on the Market Square yesterday afternoon, were placed in immediate service. The combination wagon is stationed at No. 2 North Street, Hook and Ladder house, and the engine is stationed at No. 2 fire house, King square.

BIBLE SOCIETY.

Annual Meeting of the Sussex Branch Will Be Held Tonight.

Last Tuesday evening at Barnesville, Kings county, the annual meeting of the Bible Society of that place was held. Among those present were: Rev. C. Burnett and Judge Forbes of St. John; Rev. Mr. Banyon of Upland, Elder, president of the society, presided. The attendance was exceptionally large, as despite the extremely cold weather, people from distant points were present in large numbers.

SECOND NIGHT SCHOOL.

If All Goes Well Will Be Located at Winter Street.

Owing to the number of applications that have been made for permits to enter the night school and the inability of the board to accommodate all the scholars in the present school, the board are considering the advisability of opening up a second night school. Secretary Manning told the Star that many more permits have been issued than could be accommodated and if the desire for knowledge proved more than ephemeral a second school would be opened. The school will be in the Winter street school building. He said the board would have no difficulty in securing an efficient teacher.

FUNERALS TODAY.

Revelion high mass was celebrated this morning at St. Peter's church by Father Bordman for the late Michael McDade, of St. Martin's. The funeral was from the residence of his daughter, Mrs. Patrick Kane, Main street. The remains were taken to St. Martin's for interment.

The funeral of Edward Kelley, son of William Kelley, was held this morning from his father's residence, 51 Murray street. Edward was but 16 years of age and died very suddenly of heart failure. Revelion high mass was celebrated at St. Peter's church, where deceased was an altar boy, and his remains were escorted to the altar by the altar boys. The teacher and school children of Mr. Sweeney's room, where he attended school, attended the funeral in a body. Interment was at the new Catholic cemetery.

The funeral of James H. Carnall took place this afternoon at 2.30 from his late residence, 79 Princess street. Rev. Dr. Sprague and Rev. Mr. Marshall conducted the services. Interment at Fernhill.

have been kidnapped during the night, is understood to be at large this morning going from place to place organizing and directing everything. The extent is that the meeting shall occur on the palace square, no matter if it result in a massacre of the men. He says they must be resolved to do or die. It is noteworthy that the leaders are going back to the French Revolution for their parallels. The deputations sent to Tsarskoe Solo was a march of the mob to Versailles.

The assemblage planned for tomorrow is likened to the march of the multitudes wearing red caps of liberty to the Tuileries to present their demands to Louis XVI.

While there is much talk that the troops may be overawed by the mob, the authorities do not manifest the slightest apprehension on this score. The Cossacks and the guard regiments, they declare, can be relied upon.

Two regiments of infantry have also been brought here from Riga. Nevertheless the authorities are extremely nervous, realizing that blood once spilled in the present temper of the excited men, spurred on by socialist agitators, it is impossible to predict the end. The emperor's advisors, however, declare he must put down the agitation with a firm hand and that if he yields, as Louis XVI did at Versailles, all may be lost and the present resolution of the government is not to give way.

While many drunken rows have occurred and a number of men have been injured, no serious collisions have been reported up to this morning. An enormous number of arrests of revolutionaries took place during the night.

An attempt will be made to close all the city bakeries in order to threaten the city with famine. The workmen have declared that they will cut off the telephone and the telegraph wires and cut off St. Petersburg altogether from

Assemblage Planned For Tomorrow Likened to The March of the Red Caps of Liberty To the Tuileries.

communication with the outside world. Altogether the situation is most critical. Father Gapon when apprised that the government proposed to prevent the demonstration tomorrow, issued instructions to the men that they must go to the palace square with their wives and children, "but the men must be armed," he is reported to have said. "We must first show we are peaceful. We have appealed in vain to the employers and to the bureaucracy. Our last hope is the emperor himself. If he refuses to see us and orders them to disperse us then we must fight."

Father Gapon had had a guard of four hundred sworn workmen formed to protect the emperor from harm if he will come to the palace square tomorrow.

Among the rumors afloat is one to the effect that the famous Preprojensky Guard regiment has declared it would refuse to fire on the mob, but this, like many other sensational reports pertaining to widespread disaffection in the army is not confirmed.

INSURANCE ON ESTEY'S MILL.

(Special to the Star).

FREDERICTON, N. B., Jan. 21.—There was no insurance on Estey's mill building, burnt this morning. On the machinery there was \$8,000 with F. J. Morrison, divided as follows: Atlas, \$3,000; British American, \$3,000; Hartford, \$1,000; Guardian, \$1,000.

Though the machinery looks very much damaged, the loss cannot be estimated until fixed upon by the adjusters. The origin of the fire is unknown. The report that it was incendiary is not generally credited. The mill has had a close call on several occasions. It is not likely that it will be rebuilt at the present time.

A correspondent complains that Policeman Ira Perry has received from the city half pay for a period during which he was laid off from work as a consequence of an injury sustained while doing private police work at the York Theatre.

At a meeting of the Scots companies, Boys' Brigade, last night two sergeants and four corporals were selected from the ranks.

DR. IRVINE BRINGS NEW CHARGES.

A Second Presentation to be Brought Against Bishop Talbot.

NEW YORK, Jan. 20.—A second presentation to be brought against the Rt. Rev. Edward Talbot, bishop of Central Pennsylvania upon charges made by Dr. Irvine which is now being prepared as the result of a conference held in the city, containing, it is said, in the main, only two charges. The first is said to be "immorality" meaning "tydings" and the second, "violations of ordination vows."

The first charge is based principally on the Upjohn letter and contains 19 counts but more may be added before the paper is finally sent to Presiding Bishop Tuttle of St. Louis.

Charges of "violation of ordination vows" rest solely on the unfranking of Dr. Irvine and draws the Episcopal diocese into the controversy. The charges against Dr. Talbot in connection with Mrs. Elliott of Huntington are reiterated and several new features have been added.

There may be, it is said, a third charge, but the presenters have not yet decided on this.

ANOTHER ADVANCE IN SUGAR.

A telegram from New York this morning tells of another advance in raw sugar. The telegram says: "Contractors have made a one-thirty-second advance for April shipment from Cuba." There will be a corresponding advance in refined sugar in the United States and Canadian markets.
