**LOGAN DOING WELL.**

**MONTREAL, Jan. 30.**—A telephone message from Saranac Lake, N. Y., tonight says: In the skating races here this afternoon Logan of St. John finished second to Morris Wood in his heat in the mile and half mile, skating in the style. The finals are to be held tomorrow.

**THOSE AT MONTREAL.**

A party of local skaters left this morning for Saranac Lake, where they will take part in the big meet to be held there tomorrow, under the auspices of the Pontiac Association.

The party includes Brown and Aird of the Amateur Skating Association of Canada, Finlayson and Wheeler of the Montreal Skating and Toboggan Club, and Berthiaume, unattached. All of these men have won Wood in his heat in the mile and half mile, skating in the style. The finals are to be held tomorrow.

**ROTHESAY WON 19 TO 1.**

In the intermediate game between the Rotherham Collegiate School and the Algonquin, played at the Rotherham rink last night after the senior game, Rotherham won by a score of 19 to 1. The game was uninteresting and very one-sided, as the score indicates.

**MARATHONS WON.**

The city hockey league opened last evening, when the Marathons, city league team, defeated the Beavers by a score of 6 to 2. The Beavers were without some of their best players, and consequently were much handicapped. The game, however, for the first was marked by some sharp playing. Cyrcy was out with the Marathons for the first time this season, and showed up in good shape. R. Howard, a former M. Allison player, made his debut in this city as a goal tender, and saved the Marathons in more than one case. With more practice Howard will be a strong candidate for the Marathons provincial team. The first half of the game was not very fast, but in the second half the boys got into the game in good shape and played better hockey.

One of the most interesting and scientific hockey matches of the season will be played in the Marathons rink on Saturday afternoon, when the stalwarts from the Law School will cross sticks with the newspaper men. **GALICIAN WOMAN'S TALE OF SORROW**

Ladies and sympathetic married men who passed through the Union Depot yesterday afternoon were attracted by the picturesque costume worn by a young Galician woman and by the pretty story which she related in her arms. Those who stopped to admire the child, and who saw the woman weeping, and the mother's eyes, little knew of the troubles and sorrows which the fresh-faced young widow had undergone.

Her father, a Galician and only nineteen years old. She married when but little over seventeen.

Her husband, who was a cavalryman in the Austrian army, was killed during the annual manoeuvres. The young widow's plight became known to her uncle, who is a prosperous farmer in Regina. He sent her money for her passage, and the rest of the family had through tickets to the West, but the young widow and infant were made for here yesterday to pay her fare and expenses, so the train for the West, which she had hoped to take, was delayed.

**HOD CARRIERS' STRIKE STILL ON**

The hod carriers' strike at the Royal Bank building, now under construction, is still on. The strikers tell a different story from that advanced on behalf of Mr. Berthiaume, who is in charge of the work. H. Goldworthy, who is vice president of the local branch of the International Hod Carriers' and Building Laborers' Union, says that the strikers are not in the least to be disconcerted by the colored boy, who figures in the dispute.

**CARLETON LIBERALS**

TO CHOOSE THREE STANDARD BEARERS

WOODSTOCK, N. B., Jan. 30.—The Liberator of Carleton county will meet here in Graham's Opera House on Tuesday, Feb. 12th, at two o'clock in the afternoon for the purpose of choosing three standard bearers to represent the county for the assembly.

Already delegates have been chosen in most of the parishes, and in the remaining localities this will be done. Solid General Jones will of course be renominated.

It is difficult to predict his colleagues as there are a great many good men willing to run. The prospect is favorable to Liberal success.

The Conservatives are holding meetings all over the county. Last night they held a gathering at Debec, and tonight there is a rally in Centreville. An opposition convention is also expected at an early date. Opinion seems to be divided as to whether it will be held at Debec or at Centreville.

Major Munro of Chipman Hartley who will go with Messrs. Smith and Fleming.

**CARPENTERS FEEL SURE OF SUCCESS**

About two hundred carpenters attended the public meeting in Bertram's Hall last night, and from the spirit of the speeches and the general feeling of the meeting the men are perfectly confident that their demand for an increase in wages of twenty-five per cent will have to be granted.

Present, last evening, expressed their sympathy with the union in their own way, and it has been promised the support of the majority of the members of the craft in the city. In order to cement their organization several other public meetings will be held during the next few weeks.

The time set for the inauguration of the new scale is April the first. The employing carpenters have up to the present steadfastly maintained their refusal to accede to the union's demand for an increase.

The Bell Company say the wages will be increased, but the girls contend that the demands of the work are a severe strain on the nervous system and they cannot work long hours without suffering injury.

**TELEPHONE GIRLS IN TORONTO WILL STRIKE**

TORONTO, Jan. 30.—The management of the Bell Telephone Company in Toronto have made new regulations under which the hours of the girls at the switch board will be changed from five per day to eight. The girls have held a meeting and determined to strike Friday when the new regulations come into force, and the Dominion labor department at Ottawa is sending Deputy Minister MacKenzie King to Toronto to seek a settlement of the difficulty. There are between two and three hundred girls affected.

**CELEBRATED CHIEF KERR'S ANNIVERSARY**

The twenty-fifth anniversary of Chief Kerr's appointment to the fire department, was celebrated in grand style last night. The function took place in the hall of the fire department on King street, east.

Mayor Sears was the first speaker. He read an address to the chief, which was signed on behalf of the department, fire police and salvage corps, by the different company officers.

After the address had been read the chief was presented with a magnificent silver loving cup.

In replying, Chief Kerr stated that he was grateful indeed for the grand reception tendered to him. He would strive to do his best in the capacity of chief in the future as he had done in the past.

Ald. McGoldrick, Lewis, Bullock, Vanwart, Spruille, Lantaulum and Pickett, all spoke briefly.

A number of veteran fire fighters were present.

The Band assisted greatly in the programme. Those who took part in the programme were—A. W. Baird, Wm. Pine, Ald. McGoldrick, Col. Evans, Henry Dooley, and Messrs. McKean, Matthews and others. After refreshments had been passed the gathering broke up. Expressions of good will on all hands toward the chief were in evidence.

**REGENT WEDDINGS.**

**MORTON-McAFEE.**  
The following account of the wedding of Miss Minnie McAfee, which took place in Chelsea, Mass., will be of interest to her many friends in this city.

A pretty home wedding took place recently at the home of Mr. and Mrs. W. H. McAfee, 285 Broadway, Chelsea, when their sister, Miss Minnie McAfee, was married to George E. Morton of Chestnut street, Chelsea, Mass. The bride was bridesmaid and Miss Albert E. Morton of Worcester acted as best man. At 7.30 the bridal party entered the parlors to the strains of Lohengrin's wedding march, played by Miss Anna B. Murtha, and the ceremony was performed by Rev. R. Perry Bush. The bride was given away by her brother, William H. McAfee. The bride party stood under a bell of white and pink carnations and amaranth. The bride was handsomely gowned in changeable cologne silk over tulle trimmed with Irish point lace. She
