LORD WESTMINSTER has just received Mr. HOLLOWAY'S Medicine, for which he returns him his best thanks.

Eaton Hall, Cheshire, Feb. 12, 1842.

This inestimable Medicine being composed entirely of medicinal Herbs, does not contain any mercurial, mineral, or deleterious substances hostile to the tender infant, or to the weakest constitution, prompt and sure in eradicating disease from the most robust frame, it is perfectly harmless in its operations and effects, while it *searches out and removes Complaints of every character*, and at every stage, however long standing or deeply rooted.

Of the Thousands *cured by its agency*, many who were on the verge of the grave for a considerable period (by persevering in its use) have been RESTORED TO HEALTH AND STRENGTH, *after every other means failed.*

All Diseases (and whatever may be their symptoms, however they may declare themselves, yet one cause is common to them all, viz.; a want of purity in the blood and fluids) are cured by this wonderful Medicine, which cleanses the stomach and bowels, while its Balsamic qualities clean the blood, give tone and energy to the nerves and muscles, invigorate the system, and strength to hope and vigour.

The Afflicted need not give himself up to despair, as one without hope, but let him make a proper trial of the MIGHTY POWERS of this astonishing Medicine, and he will soon be *restored to the blessings of Health.*

These should not be lost in taking this Remedy for any of the following Diseases:—

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.

The changes of weather and season, with the change of use and feed, have a very great effect on the sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c., all of which will be prevented by cure, when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or producing a bad state of the blood, are speedily cured by them. Remember and ask for CARLETON'S CONDITION POWDERS, and take *no others.*
