Bryan Lister,

A BRITISH SUBJECT, OR IF DEAD, HIS CHILDREN.

PURSUANT to an order of the High Court of Chancery, bearing date the 22nd day of June, 1858, and made in the Matter of the Trusts of the Will of William Lister deceased, *Bryan Lister* if living, and if dead, his legal personal representatives, and if he died leaving children, such children or the legal personal representatives of any deceased children, are on or before the 1st day of January, 1859, to come in and prove their identity and relationship, & make out their representation at the Chambers of Vice Chancellor Sir Richard Torin Kindersley, No. 3, Stone Building, Lincoln's Inn, in the County of Middlesex in England, or in default thereof they will peremptorily be excluded from the benefit of the said Order—Tuesday, the 11th of January, is the day appointed for adjudicating upon such claims at the Vice Chancellor's Chambers, at 12 o'clock at noon of this day.

The said Bryan Lister was the son of Timothy Lister and Mary his Wife, both late of Bingley, in the County of York in England. Bryan Lister was born at Bingley some time about the year 1784, and resided with his parents at Bingley until the year 1810, when he left his native place, and, as far as can now be ascertained, never returned. It is believed that he left England at this time and settled in some foreign country or British dependency, but of this no satisfactory evidence has yet been furnished. It is supposed that he assumed another christian name, but it is not known what.

Dated this 23rd day of July, 1858.

A MEDICAL REVOLUTION!

THE WORLD UNANIMOUS.

HOLL WAY'S OINTMENT.

THE GREAT COUNTER IRRITANT!

The virus of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels, and, reaching the seat of inflammation, promptly and invariably subdues it, whether located in the kidneys, the liver, the lungs, or any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin as summer rain passes into the fevered earth diffusing its cool and regenerating influence.

SKIN DISEASES & GLANDULAR SWELLINGS.

Every species of exterior irritation is quickly reduced by the anti-inflamatory action of this Ointment, Angry Eruptions, such as SALT RHEUM, ERYSIPELAS, TETTER, RINGWORM, SCALD HEAD, NETTLE RASH, SCABIES (or ITCH) &c., die out, to return no more under its application. Hospital experience in all parts of the world proves its infallibility in diseases of the skin, the muscles the joints and the glands.

ULCERS, SORES, AND TUMORS.

The effect of this unrivaled external remedy upon scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterward complete are safe as well as permanent.

WOUNDS, BRUISES, BURNS, AND SCALDS

In cases of the fracture of the bones, injuries caused by steam explosions, BRUISES, BURNS SCALDS, RHEUMATISM, STIFFNESS OF THE JOINTS and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals of Europe, and no private household should be without it.

UNDENIABLE TESTIMONY.

The Medical Staff of the French and English Armies in the Crimea have officially signed their approval of Holloway's Ointment, as the most reliable dressing for sabre cuts, stabs, and gun-shot wounds. It is also used by the surgeons of the allied Navies.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kind
Capped hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints
Fistula,	Skin Diseases	Tetter,
Gout,	Swelled	Ulcers,

☞ There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each pot.

The same may be plainly seen by "holding the leaf to the light." A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
