#### News of the Week

The Panama-Pacific International Exposition at San Francisco was opened by He gives a sudden start, the scamp, President Wilson.

Feb. 18th, was marked by a wild demonstration against Germany and Austria-

The Allies, it is believed, are now fac-

Premier Asquith has announced that British casualties to Feb. 4th amount to about 104,000, including killed, wounded killed, 574,000 wounded, and 162,000 missing, chiefly prisoners of war

land and Italy have already formally ish and French warships vigorously continued the attempt to force the Pardanelles, an event which would release over 100,000,000 bushels of wheat tied up in Southern Russian ports, and the British on the European side of the Straits have been silenced. . . In the Western war zone the Allies have advanced in the Champagne region. In the East, the Russians have evacuated the capital of Bukowina, and General Von Hindenburg, even while reports of his defeat before Warsaw were being circulated, has transferred the conflict to his favorite fighting ground in the Mazurian Lake region of the north, accomplishing the transportation of his troops so speedily by means of motor trucks, of which he is said to have 30,000 in use. Farther to the south, in the Galician Mountain district, forced by German soldiers, and German officers have been put in charge, very The result is not definitely known, but reports from both sides agree in stating that fearful bayonet charges have taken
