

Mother! Look at his Tongue!

Give Him a Cascaret—Quick!

Won't eat? Don't scold! See if tongue is white, breath feverish, stomach sour.

TO MOTHERS! Nothing else "works" the nasty bile, the sour fermentations and constipation poison so gently but so thoroughly from the little stomach, liver and bowels like harmless Cascarets. While children usually fight against laxatives and cathartics, they gladly eat a candy Cascaret. Cascarets never gripe the bowels, never sicken. Each ten cent box of Cascarets contains directions for dose for children aged one year old and upwards.

NOTICE FROM REGISTRAR OF BIRTHS.

Editor Truro News:

As District Registrar, I am meeting with a difficulty which I wish to expose in order that it may be corrected. Many parents are in the habit of not making returns of births, within 30 days limit, and quite frequently not even then. I have at present now on hand about 23 notices of births by Physicians, and no official cards from parents to correspond. I have been in the habit of calling on these delinquent parents at their homes. But this last quarter, on account of ill health, I cannot do so. I wish therefore to say to these parents that I want them to send in their official cards immediately, filled in very carefully. And very plainly written. The importance of the registration of births is not yet fully realized by the public generally. I have had applications from parties for the registration of these births, who are 20, 30 or even 40 years of age; to secure the registration of such births involves no little trouble, and expense. Parents have 30 days to make up their official returns; better make up these return within one week from birth of child than to be one day over the 30 days limit of the time mentioned on the card. Parents will please, therefore, take notice of these facts and in the future make correct returns in time. Do not wait for a call from me.

Physicians should keep themselves well supplied with birth and death cards.

A. B. FLETCHER,
District Registrar.

Bootleggers are said to be more or less responsible for the destruction of property of Chinese citizens in Halifax by the Vandals, who committed these outrages. The drunkenness of these property destroyers is no excuse for their vandalism.

BIBLE HILL SCHOOL CHILDREN CONTRIBUTE TO SOLDIERS WELFARE.

A member of the Returned Soldier's Reception Committee asked the Bible Hill School children to assist in securing magazines and funds for the ladies who meet our soldiers at the trains. As a result, the children went out among their home neighbors; and in one afternoon they collected \$43.20 and 100 magazines.

The young collectors were Marjorie Ellis, Alison Cumming, Sydney Best, Helen Fulton, Frank Seaman, Margaret Davidson, Josephine Turner, Dorothy Jamieson, Arleigh Burgess, Teresa Ward, and Gwendolyn Archibald.

The Soldier's Committee very much appreciates the enthusiastic efforts of these youthful citizens. Miss Hyson, the capable principal, organized her workers in good shape. The children in her department conduct a Wounded Soldier's Comfort Club. This club contributed from its funds \$3.60. The children from all departments also gave their pennies to the amount of \$2.00. The balance was collected by a house-to-house canvass.

Trueman, M. Cumming, Mrs. Womersley, Sydney Best, Mr. Bartlett, Cecil Selfridge, J. T. Nolan, J. W. McCulloch, Mrs. Wm. Retson, Mrs. Blanchard and Mrs. Blackmore.

The names of those giving less than one dollar will not be published unless by request, their contributions are, nevertheless, appreciated.

FATHER AND SON DAY OBSERVED BY THE FIRST BAPTIST CHURCH, TRURO—A GRAND SUCCESS

Sunday, February 16, having been fixed for observance of what is known as "Father and Son day" all over this Continent, the First Baptist Church Truro, commenced their program on Friday night in the B. Y. P. U. service. The Men's group of leaders having full charge, the leaders of the evening being, Mr. C. F. Rockwell, and Mr. A. S. Nickerson. The first part of the evening, the regular B. Y. P. U. topic was taken up their following an illustrated talk by Capt. L. E. D. Stevens, A.F.C.J. the Canadian and Royal Air Force, or Aviation.

Captain Stevens is one of our own boys, who went overseas as Adj. 115th N. B. Batt; then joined the Royal Air Force and for three months was on night duty in Home Defence. For one year as ferry pilot and officer in despatch at Lyne, Kent, Eng. and received Air Force Cross at Lyne. He soon showed himself to be thoroughly at home with his subject and gave his audience a very highly instructive and interesting discourse with illustrated slides.

Sabbath morning, the Pastor, Rev. F. Clarke Hartley, gave one of his usual practical and helpful sermons on the topic "What a Father owes to his Son."

The Sunday School and Bible Classes were all taught by men, a rare thing to happen. Our good sisters for once

had an opportunity of being taught, Men, who never attempted to teach before were delighted, when they found they could do work of this kind, which we trust will create in them, a renewed interest in this all important branch of our Church work. Sunday evening in place of the pastor, giving his usual sermon he had a "Quartette" to present to the audience, who would deliver their "Sole" on "The Boy" as follows. The Boy in the Home—Prof. L. C. Harlow. The Boy in School—Prof. L. A. DeWolfe. The Boy in Business—Mr. W. I. Dodge. The Boy in the Church—Mr. F. F. Forsyth.

All of which was of very high order and space forbids in this report any quotations.

In addition to the usual music, Mr. Selfridge of the Agricultural College, who is possessed of a rare baritone voice, was heard in one of his best renderings.

Thus a full day's Sabbath Service was given over to the men and boys of the Church and Congregation.

Monday evening at 6.45 o'clock the "Father and Sons" were the guests of the organized Boys' Class lead and taught by Prof. L. C. Harlow, at a luncheon and were catered to by the organized girls D. I. N. class. They had transformed the large primary Class room into a "Fairy Room." Tables were arranged and loaded with, not war time bill of fare, but, if possible, better than pre-war eatables at least so it tasted. The decorations were all in Red giving a very mild but bright effect. Mr. A. S. Nickerson, President of the Boys Class presided. Each father was accompanied by a son. Those who were not fortunate enough to have a son, "borrowed" one, for the occasion and over ninety sat down to do justice to good things provided.

The bevy of young ladies, dressed in pure white, with red trimmings, soon were serving the guests, as only they are capable of doing and it was not any wonder that it was not long until a fully satisfied air settled down upon these Fathers and Sons as they ate to their full.

The President then arose and in a very neat speech welcomed the guests of the evening and scored some grand points from the Boys point of view about their needs.

Ross Barteaux was called upon to respond to the toast, "Our Dads" and acquitted himself in good style. Mr. C. E. Vail and, Mr. M. S. Cox spoke to the Toast. "Our Lads" Willard F. Cox responded to the toast, "Our Sunday School" and made a hit which we trust will bring all the Fathers to the S. School. Our efficient Superintendent, Mr. J. C. B. Olive, was a pleased and happy man to see the results of the work of these two organized young people's classes and was proud of this splendid gathering. He was ably supported by his two assistant Superintendents, Mr. H. A. McElhinney, and Mr. W. J. Ellis, both of whom delivered strong addresses.

However the climax came when the pastor was called upon for "Our Church." If the Superintendent of the Sunday School was a proud man what must he be as he was "Boss" of the whole show. The Church was the largest and greatest organization in the whole world. This Church had been doing business for 60 years or more and if the worthies who had served here could be enumerated what a host of names would appear on the Roll. But what of the great opportunity now improving the Church and this Church in the great task of World reconstruction. The young life here represented had thrown down a great challenge to the Fathers and he knew that they would arise and give this young throbbing life a better chance to develop Christian manhood than they had had.

The guests of the evening were Prof. J. M. Trueman, the Agricultural College, who is Chairman of the Country Y. M. C. A. and Mr. E. J. Arnot Sec. of Maritime Division of the National Council of Y. M. C. A. of Canada. Prof. Trueman appre-

ated very much the privilege which had been given him of being present and see not only how Father's and Sons could "eat" together but how they could "talk" together and such a gathering was an inspiration to any Father. He delivered one of his forceful and helpful talks which was much enjoyed.

Prof. L. A. DeWolfe in a happy and humorous speech moved a vote of thanks to the girls of the D. I. N. Class which was seconded by Mr. A. S. Sutherland and was presented to the girls with three ringing "Hurrahs."

We were also highly honored in having six of our noble returned soldier boys present; one of whom having just arrived and walked in while the luncheon was being served and brought forth loud applause. The singing of the National Anthem brought this happy evening to a close.

Telephone Growth and Permanency

TEN years ago one person in every sixty in Nova Scotia had a telephone—to-day it is one in every twenty, and the end is not yet.

This indicates the important factor which the telephone has become in our daily life. There is nothing which can ever take its place.

The steady growth and permanent nature of the telephone business in Nova Scotia, combined with the fact that earnings are stabilized by legislation, make the securities of this Company a very desirable investment.
