

## Capital Wanted

A reliable and energetic business man wanted to go to the North-West to take charge of a branch of a good paying enterprise, where goods may be shipped to him in carloads. The business is practically a monopoly, and \$3,000 additional capital is wanted to extend it into the territories, where there is a large demand for the goods. Apply

## Mercantile Summary.

FIRE on Tuesday night destroyed J. C. Wilson & Co.'s pulp mill at St. Jerome, Que. The loss is \$10,000, partially covered by insurance.

LINDSAY is now lighted by electricity supplied from Fenelon Falls by the Lindsay Light, Heat and Power Company. Power will be supplied to industries as soon as new motors can be put in. The work involved an expenditure of \$75,000.

## TORONTO STOCK TRANSACTIONS.

The tightness in the money market still continues, and as a consequence the Toronto Stock Exchange is still in a stagnant condition. Transactions during the week have been light, and there have been no features. Canadian Pacific has had most attention, 1,126 shares changing hands, most of it at prices ranging from 93½ to 94¾. Yesterday morning 200 shares sold at 95¼. The other transactions for the week ending Thursday noon were:

Bank of Commerce, 74 shares at 146-146½; Imperial Bank, 20 at 216; Ontario Bank, 1 at 124½; Bank of Hamilton, 2 at 187; Toronto General Trusts, 51 at 149-150; do. part paid, 18 at 142; Toronto Electric Light, 1 at 132½; Commercial Cable, 206 at 165¼-165¾; Canada Permanent Mortgage, 100 at 115; Consumers' Gas, 20 at 213½; General Electric, 90 at 166-166¾; Toronto Railway, 100 at 99¼-99½; West-Assurance, 50 at 141; Dominion Telegraph, 20 at 128; Carter-Crume, 5 at 102¾; Canada Northwest Land, 20 at 50¾-51¾; London and Canadian, 111 at 60; British America, 5 at 111½; Crow's Nest Coal, 225 at 146; War Eagle, 6,700 at 149-151; Republic, 12,600 at 99-100¼; Golden Star, 17,500 at 13-18; Payne, 500 at 112; Virtue, 500 at 102; North Star, 2,100 at 116-116½.

## Business Obtained

by catchy schemes and doubtful enterprises is surely short-lived. Misrepresentation and fraud backed up by untruth, is as surely the forerunner of failure.

The Spramotor Company have been the first to give the fruit-growers and manufacturers of Canada a strictly reliable machine for a variety of purposes, the latest of which is applying coal tar as a paint mixture.

It is a brass machine being so perfect in its mechanism that it will whitewash, disinfect, paint with almost any known mixture — as well as spray fruit trees

It is the subject of more patents than exist on all other appliances together — and yet it is sold as low — or nearly as low — as any other sprayer in the market

We will also sell you the chemical to use with the Spramotor, or you can get it from your dealer yourself. The only advantage we offer you in this is it is guaranteed strictly pure, and at the lowest possible price. Copyrighted Treatise free.
