

# Reds Split

by Kelly Craig

The Lady Reds hosted a two day volleyball series against the women's volleyball team from Memorial. The Lady Reds played good, solid volleyball Saturday defeating the Memorial team 3 games to two. Unfortunately, on Sunday the injuries took their toll on the Lady Reds and they were handed a defeat by Memorial by 3 games to 0.

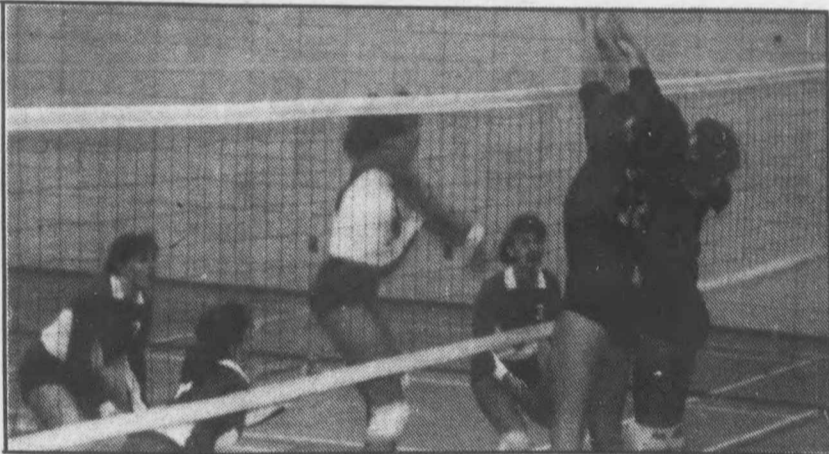

Saturday's game was a very well played game for the Lady Reds. Elaine Buck recorded 20 hard kills and Julie Campbell recorded 18 kills. Cookie Coholan also had a big game for the Lady Reds whose defense was right on target. Coach Kamermans was really pleased with the way the girls played. In previous games the girls had trouble with their serves but this trouble was ended Saturday with the superb service of Cookie Coholan. Cookie served up 4 aces in the fifth game Saturday to give UNB the win. Overall, Coach Kamermans was very pleased with the overall team effort.

Coach Kamermans depends a lot on her bench players. They are the key to keeping the team going. The bench players keep the communication between the players going. They pep up the team and add freshness to the team

when needed. They are definitely players to be recognized for their hard and efficient play.

UNB was not, however, without its problems this weekend. Problems stemmed from the injuries that plagued the starting line-up of the Lady Reds. Tanya Manuel injured her leg, Julie Campbell played despite shin splints, team Captain Elaine Buck was playing unhealthy, and Donna also played injured. However, starter Lisa Pellerin had a terrific game. She was right on target with all her sets and flew and dove all over the court to dig the ball up and put it back in play. Elaine Buck also had one of her best games of the year despite health problems.

This Friday night at 8:00 pm in the main gym the Lady Reds host the Mt. Allison team. Despite losing to Mt. A twice previously, the girls are looking for a win against an athletic and tall Mt. A team. UNB is hyped up for this game and hope to keep Mt. A off balance with consistent play. "We are looking forward to ending off the season in the AUAA's," said Coach Kamermans. Mt. A is another hurdle for the Lady Reds to get over on their way to the AUAA's. Good luck Lady Reds!
