STRATFORD, ONT., June 12, 1911

My dear King

I am pleased beyond measure that you will be with us at Melvinton on the 21st inst. If you leave Perth on the morning train (about 9 o'clock) you will make connection at Stratford for Melvinton. I will meet you at the station.

I was thinking that it might be well to deal with some of the wide issues that will be worked against Sir Wilfred at next election as indicated by the Tory press - such as his attitude of the Conference - The

Charge of anti-imperialism & then the Farmers Bank failure is being worked over time in the township of Mornington. Melvinton & Millbank are in this township & there was a branch at Millbank. The township taxes about 10,000 was on deposit or well as the surplus money of many farmers
