My Presence in this.

Please keep this privately  
to Sir W. Dawson -

The steps we say about our  
achievement in securing  
British control of the California  
oil fields the better -

If by any chance you are in  
the U.S. early May. let us know  
so that we may meet if possible.  
Yours as usual  
W.L.K.

AT SEA

I am presently on keeping  
my foot Canada this year -

Having captured Australia  
& N.3 support for my Dominion  
Home Scheme. I should have  
returned home via S. Africa  
in the hope of securing the completion
