Dear Mr. Larkin,

I hope to be in London for the Canada Club Dinner on Monday, and Lady Aberdeen will join me on the following day, from Ireland. We are both most anxious for an opportunity of meeting Mr. Mackenzie King, during the few days of our stay in Town, Lady Aberdeen having to leave for engagements in the East of Europe on Saturday morning, the 23rd.

Do you think it would be possible for you and the Prime Minister to have luncheon with us at the Ladies Empire Club, 69, Grosvenor Street, either on Wednesday, Thursday or Friday at any hour convenient for both of you? Tuesday, the 19th, would also be available for us. Excuse this hasty line, but I have no doubt that the Prime Minister will have countless engagements during the week.

Yours very sincerely,

ABERDEEN AND TEMAIR.
