Dear Mrs. Gideon Murray,

Thank you so much for your very kind letter of 7th. November. It would give me very great pleasure indeed to meet you and The Master and Miss Cynthia Noble at luncheon at the Bachelors' Club on Thursday, 18th. inst., but unfortunately I have an engagement which cannot be postponed on that day. I hope, however, that it may be possible before I leave, to call on you towards the tea hour, and if I can find a date convenient to you, I shall be so pleased to meet you. I will write to you again later.

With many thanks,
Yours sincerely,
