

and particularly Canada, and more particularly Quebec (It would have been the story of Alsace and Lorraine of 1870 over again in that case) if Germany had won the last World War. A greater danger threatens today on account of one important theatre of war being transferred to the air. That is why it is Canada's duty and Canada's only salvation to stand by the British Empire and France to the "utmost of its strength" and to make that resolution a firm and real one and not a make-believe.

In this, the Empire's supreme test, let us not forget that this terrible suffering, this awful scourge of Hitlerism, which on account of its barbarity and inhumanity can only have Satanic origin, are visitations of Almighty God to bring the nations of the world "to their knees" in a spiritual way. The world was becoming too materialistic and forgetful of God. Right backed by might will overcome injustice, even though supported by superior might. Right is on our side, and our cause is just. Christianity shall survive, and Christian ideals shall prevail. The supreme sacrifice of Christ, the God-man, on the Cross shall not be in vain, as it was undergone to buy "Peace on Earth to Men of Goodwill".
