Ottawa, July 26, 1915.

Sir,-

I beg to acknowledge receipt of your communication of the 17th instant, addressed to the Minister of Public Works, which has been transferred to this Department, regarding lands purchased at Portage la Prairie for an industrial school and claiming that this land was worth more money at the time of purchase than the exchequer received for it.

In reply I have to state that any claim in this regard should be made by you to the executors of the estate and not to this Department.

Your obedient servant,

J. M. Lee
Asst. Deputy and Secretary.
