Ottawa 21st May 1915.

Sir,-

With reference to your letter of the 22nd ultimo addressed to the Secretary, Royal Commission on Indian Affairs, Victoria, B.C., which has been transferred to this Department, I have to say that the records show that the Equis Indian Reserve No. 8 of the Seshah Band was allotted to that Band without any reservation in favour of the Ucluelets. It therefore appears that your action in ordering the Ucluelets to leave is correct.
