

- A. The bottles that were left over I threw them away myself but I didn't count how many were left.
- Q. Where did you throw them?
- A. Two fell in the canal and some probably two, he says on the far side of the canal.
- Q. And why did you throw them away?
- A. It was only an idea I had, I felt the RPs would search the truck.
- Q. You stated when Brisson started to fire his pistol he was firing in the direction of the canal. Is that correct?
- A. Yes.
- Q. Was there anybody between Brisson and the canal?
- A. Yes, there was a girl riding a bicycle.
- Q. How far away was the girl from Brisson?
- A. At first she was only 20 yards away but she was always moving away with her bicycle.
- Q. Where were you yourself at this time?
- A. I was on the left side of my truck in the middle of the road.
- Q. And where was Brisson with relation to your truck? That is was he closer to where they started from or was he nearer the Carleton & York HQ?
- A. I don't understand the question.
- Q. Were you closer to your own truck or closer to Brisson's truck at the time?
- A. I was closer to my truck.
- Q. And which direction had that girl on the bicycle come from?
- A. She come from the direction opposite from where we were coming.
- Q. Was she past Brisson's truck before she passed your truck?
- A. Yes sir.
- Q. And where did she go after these shots were fired?
- A. She started to run in the direction of a house.
- Q. Was the direction of that house past your truck from Brisson's?
- A. Yes sir.
- Q. In other words she kept on going the way she was going when the shots were fired?
- A. Yes sir.
- Q. And what was the last you saw of her?
- A. She was crossing the street on her way to the house.
- Q. How far away from you at the time?
- A. 50 yards.
- Q. Did you see anybody else on the road at that time?
- A. I cannot say exactly but I believe there was a man.
- Q. Had the girl disappeared from sight by the time Brisson had finished firing his revolver?
- A. She had disappeared before the accused had ceased firing the revolver.
