

K.U.C. Songs.

1—VARSITY SONG.

By Cpl. G. Brooks

The Khaki Varsity it so good to me,
For I am getting education here that's free,
And though we're sweating for exams. that are in store,
We shall meet with good results, of that we're sure.
Then when we're leaving dear old Blighty,
With a year less to do at Varsity ;
Then we shall all be mighty thankful,
Thankful for the Khaki Varsity.
The Khaki Varsity ! The Khaki Varsity !
The Coliege that was formed for men across the sea.

Chorus :

There is Matric and Arts and other classes,
There's Law and some Theology,
But all the boys are doing well in classes,
In the Khaki Varsity.
And when we all get home to dear old Canada,
That glorious land across the sea,
We will never cease to sing its praises
K.U.C. K.U.C. K.U.C.
