

DR. PICAULT'S
NURSES
TREASURE.

*Indispensable
to Children.*

Be sure you get the
genuine article with
Dr. Picault's Name
blown on the bottle.

For upwards of 20 years Dr. Picault's Nurses' and
Mothers' Treasure has gradually gained by its *valuable*
properties alone a reputation far exceeding any other
remedy for children.

TO MOTHERS.—Try it once and you will never
be without it. Use nothing else when your children
are *cutting teeth*, as it relieves the little sufferers im-
mediately and contains nothing injurious.

Prevention is better than cure

While cutting their teeth children are liable to many
ailments such as convulsions, diarrhoea, dysentery, &c.,
and all these troubles will be *prevented* by the timely use
of the Nurses' Treasure. It softens the gums, regulates
the bowels, relieves wind, and all uneasiness resulting
from teething or other causes.

THOUSANDS CAN TESTIFY that it never fails to
bring refreshing sleep to the *couches of their little ones*.

With each bottle will be found certificates from
well known families who use nothing else. Price 25c.

SOLD EVERYWHERE.
