THE TRUTH

BY DR. J. M. HARPER

Sweet snow-white dove of light,
Aye hovering o'er life's battlefield,
Nor ever stained by murky flight
Where differing din hath faith be-
guiled!
'Tis liberty that dares to scan
Thy scope beyond the clouds,
Which prejudice and passion fan,
To weave in shrouds.

A glimpse of thine approach
Emboldens hope with thee to soar,
And duty climbs its heights, to watch
How life has instincts full in store,
To gift man's soul with highest aim
And fealty heaven-pledged,
Steadfast to make his own thy fame
Eternal edged.

And science, circling round
The giddy pinnacles of thought,
Locateth oft thy resting ground
Where finitude is fenced with doubt;
Till poisoning ken begets a pride
Intolerant of faith,
And pique and pride thy beauty hide
With warring breath.

'Tis heaven's aether-wave
That marks the acme of thy flight,
Where life scans high its architrave,
With thee illuminating its night;
In wonderment we thread the maze,
Where faith's our guiding force,
Sheened by the assurance of thy rays,
To light our course.
Quebec, April, 1908.
