

# Canada's Leading Riding Plows

Ontario No. 19

Lightest in draft

Simplest in construction

Easiest operated

Lowest in price

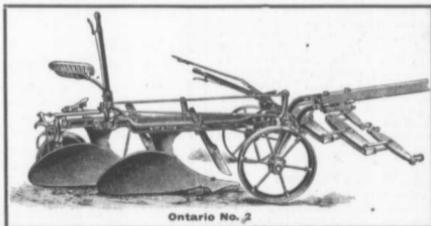

**W**E can save you money and labor. Give us a trial and be convinced. Remember we guarantee satisfaction. Our plows are now being used in all the large plowing matches in Canada, and can easily compete against the best walking plows. Our Double plow is not an ordinary Gang, but an up-to-date double furrow Riding Plow with mould boards equally as large as a general purpose walking plow. Adjustments on all our sulkies for striking out and finishing up a land. They can be operated by any person capable of handling a team of horses.

Simplest adjustment

Superior finish

Most up-to-date

Greatest variety to choose from

Ontario No. 2
