

boro Sugar Company expect to commence the erection of a factory at an early date.—The new buildings to be erected by the Canadian General Electric Company will include a stores and shipping building 45x80 feet, manufacturing building 235x80 feet, and an addition 140x40 feet to the new building erected last year. The buildings will be of brick and steel.

OTTAWA, ONT. — It is reported that Charles Brennan, of this city, intends erecting an expensive cottage on Tar Island, Rideau Lake, this spring.—The German Lutheran congregation have decided to build a parsonage on Creighton street for the pastor, Rev. C. Lucas.—The award in the competition for plans for public library building is as follows: First prize, E. L. Horwood; second prize, J. A. Ewart; third and fourth prizes, J. W. H. Watts. Mr. Horwood will consequently have charge of the work. His plan calls for native limestone, with picked face, for basement to base, and Indiana limestone for the balance of the building. The main portion of the building is to be of slow burning material. The corridors and delivery room are to be floored with mosaic blocks and the walls of corridors are to have a high wainscoting of light Vermont marble, with green veining. Heating is to be by indirect radiation, with force draught system.

WINNIPEG, MAN. —W. Cross, contractor, intends erecting a new building on Ellice avenue this spring.—Smith & O'Toole have sold property on Stanley street on which a warehouse will be erected.—S. Hooper, architect, is preparing plans for the new Land Titles office, which will be of stone, 90x90 feet, two storeys and basement, marble wainscoting, tile floors, 12 vaults. Mr. Hooper has prepared plans for new block for N. Bawlf on corner of Ross and Princess streets, to be 50x75 feet, four storeys and basement, brick with stone trimmings.—W. B. Lait, architect, has completed plans for the Icelandic Lutheran church, corner Nena and Bannatyne streets, brick on stone foundation, with stone facings.—Walter Chesterton, architect, has completed plans for an Anglican church at Manitou and for a warehouse for the J. I. Case Co. at Regina.—Plans have been prepared by H. S. Griffith, architect, for a 30x50 feet brick building on Smith street for Mr. Campbell, also for new hotel on McDermot street for

Mr. Wilkes. Latter will be five storeys and basement, brick, pressed brick front, forty bed-rooms.

TORONTO, ONT.—A gentleman, whose name has not transpired, is said to be negotiating for the purchase of a site at the north-east corner of Lowther avenue and Spadina road for a residence to cost \$12,000.—Plans of the new 34-mile section of the Toronto, Lindsay and Pembroke Railway have been received by the Department of Public Works.—Henry Simpson, architect, has prepared plans and will superintend the erection of the new furniture store and warehouse to be built for the J. F. Brown Co. on the east side of Yonge street, just above Queen. It will be five storeys and built of structural steel.—

Mr. Leadley, leather merchant, proposes to erect this season a residence on Elm Avenue, west of Sherbourne street, Rosedale.—Mr. Peuchen, paint manufacturer, has purchased a site for a residence on Sherbourne street immediately north and west of the Sherbourne street bridge.—It is understood that the enlargement
