

Brakes Should Grip evenly—without chattering

Your Ford can be made "even and quiet on the brake" if the brakes are lined with Lion Brake-Linings.

A new Canadian process of frictioning has produced this hard-wearing, sure-gripping, silent, lining material.

Ask for it by name. Your Garage man can supply you.

Carhartt Overalls

FIGURE that when the man on the farm wears overalls he wants to be able to bend, twist or stoop freely without being conscious of them. So I purposely make my Carhartt's extra roomy, and double stitch every seam. The suspender buttons stick as if they were imbedded in concrete. Interlacing suspenders give you shoulder ease you never knew before—and they stay together in the wash, while the first-grade denim cloth I use has a staunch durability that ensures a surprising length of service.

Tudhope-Anderson
Rakes and Mowers

LOOK at your implement problem from the service viewpoint. A cheap, ordinary machine that lasts two or three years is far more costly than a Tudhope-Anderson that gives you extra years of service in return for a trifle of money outlay.

Tudhope-Anderson Rakes and Mowers are actually the cheapest machines you can buy, for they excel in sturdiness of construction and convenience of operation.

T-A Mowers: 5 ft. or 6 ft., High Truck.
T-A Hayrakes: 9 ft., 10 ft., or 12 ft., Steel Wheel, Trees and Yoke.

WHY?

Because it is made by Spreader specialists in the largest Spreader Factory in the world.
