

THE BEST IS ALWAYS THE CHEAPEST

The Halladay Standard Wind-mill as improved for 1893.

Is better than ever and has no equal.

It has stood the test for over forty years, which is a record no other mill can claim. We still guarantee it to be more reliable in storms than any other wind-mill made. We make several other styles, both for pumping water and driving machinery. It will pay you to write us for large descriptive catalogue before purchasing elsewhere.
