

**KENDALL'S  
Spavin Cure!**

*The Best Liniment in Use.*

**READ THIS!**

New York, Dec. 24, 1879

R. J. KENDALL & Co.: *Gents*.—You will please send us six dozen of your Spavin Cure and one dozen Blisters, as we are about out. This makes, we think, our last order for this year, and if the demand improves next year as fast as it has this, we think it will outsell any horse liniment (for which a practical cure is sure to follow) ever introduced in this market. We have not heard the first complaint of its not doing what is claimed for it out of the many thousand bottles we have sold. We are perfectly satisfied that there never was anything made to equal it, nor can there be anything to take its place, as it removes the trouble, and no remedy can do more.

Yours, etc.,

C. M. MOSEMAN & BRO

**Patent Four-Pointed  
Steel Barb Wire.**

Weights 14 1/2 oz to the rod, and will stand 1,600 pounds to each line, before breaking. It is adopted by Railroads, Stock Raisers and Farmers, on account of its superior style of Barb, which passes between the two wires, firmly locking them together, then is wound around both, fastening the barb securely so that it cannot be moved, thus making the strongest, most durable, and cheapest wire in the market.
