A FARMER
who makes much butter ought to be sure to get Windsor Salt. It's pure — absolutely pure — dissolves quickly — easily worked. It makes delicious butter, that everyone wants for the table. Cheapest in the end, too — because a bag of

Windsor Salt
will season more butter than any other kind. Your dealer sells it.

The TOWN of ROSTHERN

with a population of 1800, is situated in the heart of one of the best wheat-growing and general mixed-farming districts in the whole of Western Canada. It lies nearly midway between the north and south branches of the Saskatchewan River, 300 miles west of Winnipeg. It has 8 chartered banks, 3 general stores, 2 first class hotels, 2 drug stores, 4 hardware stores, 6 implement agencies, 6 churches, schools, etc., while the capabilities of the district for wheat-growing are attested to by the 8 elevators and flour mills of 125 barrels capacity. No better example of the opportunities which the Northwest wheat fields afford than by taking a short drive in the vicinity of Rosthern and see the farms and homes of men who only 5 or 6 years ago brought in all their worldly goods in a box car and who now live in homes which compare favorably with any farm home in the Eastern States.

For detailed information regarding the Rosthern District, address Sec. Board of Trade, N.W.T.

Hundreds of them bought 20 to 25 years ago and are still doing as good service as when first bought. There are forks that are lower in price, but if an extra investment of only a few dollars will secure a rig that will last a lifetime, the extra expenditure is certainly in the interests of economy.
