

An Authorized Trustee Investment

The Debentures issued by this Corporation are a security in which Executors and Trustees are authorized to invest Trust Funds.

They bear interest at **Four Per Cent** per annum, payable half-yearly.

They are issued in sums of one hundred dollars and upwards, as may be desired by the investor, and for terms of one or more years.

Interest is computed from the date on which the money is received.

They have long been a favorite investment of Benevolent and Fraternal Institutions, and of British and Canadian Fire and Life Assurance Companies, largely for deposit with the Canadian Government, being held by such institutions to the amount of more than **One Million Dollars**.

A miniature specimen Debenture, with Interest Coupons attached, and all particulars will be forwarded on application.
