Our New Sunday-School Paper.

At the request of the Sunday-School Committee of the three Western Conferences, At the request of the Sunday-School Committee of the three Western Conferences, a new Sunday-School paper is being prepared, to be issued on alternate weeks with "PLEASANT HOURS," so that Schools may have a paper for every Sunday in the year. It will be the same size and price as "PLEASANT HOURS," and in every respect its equal, if not its superior. The paper will be named

"HOME AND SCHOOL."

and its object will be to make home happy, and the Sunday-School more than ever a grand success. It will be, it is confidently anticirated, the handsomest paper ever issued in the Dominion. It is determined to greatly improve the character also of "PLEASANT HOURS." using better paper, better ink, and better engravings, so that these two papers may defy competition, and prove themselves the best papers in the world for our Sunday-Schools.

While seeking to combine all the excellencies of "Pleasant Hours," "Home AND SCHOOL" will also have special features of its own. Great prominence will be given

to the subject of Christian missions, especially those of our own Church, both in Japan and among the Indian tribes of the North-west and the Pacific coast. Special attention shall also be given to Temperance, and a series of boys' and girls' temperance lessons, will be a feature of much importance. Special prominence will also be given to the Sunday-school lessons; and Lesson Notes different from those given in either "PLEASANT

day-school lessons; and Lesson Notes different from those given in either "Pleasant Hours" or "Sunbram," will be given for every Sundsy in the year.

A specimen copy is being prepared as fast as possible, and will be mailed to all our schools as soon as ready. We hope to receive very large orders for this new paper. It is only a large circulation which can prevent it being a loss at the low subscription price:

The 'Ceres' Superphosphate (THE COMPLETE FERTILIZER.) BONE AEAL, MEDIUM BONE, GROUND Chemical Analysis of the "Ceres."

Superphosphate, CHEMICAL LABORATORY, DALHOUSIE COL., Halifax, Jan'ry 18th, 1883. Messrs Jack and Bell.

Messrs Jack and Bell.

Gentlemen—Having made a careful Chemical Analysis of the "Ceres" Superphosphate,
I beg leave to report the result as follows:

Soluble Phos. Acid (anhydride) 7.495

Equal to Bone Phosphate 16.362

Reverted or precipitated Phosphoric Acid (anhydride) 2.745

Equal to Bone Phosphate 5.692 insofuble Phosphosic Acid (anhydride)
Equal to Bone Phosphate

Potash (actual)
Animonia (do)
Total Phos.acid (anhyd.)
Equal to Bone Phosphate
25.794 The Superphosphafe is well made, in good friable condition and in every respect a first-class article—showing higher total per centages of Phosphoric acid and Ammonia, than any other Superphosphate hitherto analyzed here.

AYER'S Hair Vigor

youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured.

It checks failing of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the VIGOR is unequalled; it contains neither on nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume. MR. C. P. BRICHER writes from Kirbn, O.

July 3, 1882: "Last fall my hair commenced failing out, and in a short time I became nearly bald. I used part of a bottle of AYER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of bair growing vigor ously, and am convinced that but for the use of your preparation I should have been entirely bald." J. W. Bowen, proprietor of the Mc Arthur

(Ohio) Enquirer, says: "AYER's HAIR VIGOR is a most excellent preparation for the hair. I speak of it from my own experience. Its the promotes the growth of new hair, and makes it glossy and soft. The Vicon is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction." MR. ANGUS FAIRBAIRN, leader of the

MR. ANGUS FAIRBAIRN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1–10. "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AYER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eyes of the public."

MRS. O. A. PRESCOTT, writing from 18 Elm St., Charlestown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER's HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short heir. was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the Vigor, but now use it occasionally as a dressing."

We have hundreds of similar testimopials to the efficacy of AYER'S HAIR VIGOR. It needs but a trial to convince the most skepti
