We advertise extensively and wish to ascertain the relative merits of different papers, as not five per cent. of our patrons refer to the paper in which they have seen our advertisement.

As the season is advancing when we make new contracts, we adopt the following plan, which we shall use as a guide in selecting papers in which to advertise for the coming year.

The public can readily understand the value of the information we get and why we can afford to ray liberally for it. We wish to impress upon our many thousands of patrons throughout the Dominion that this is a bone fide offer, and not a trade trick to seil goods.

The illustration at the head of this advertisement is a SOLID SILVER BHOOCH, which we will furnish with ANY NAME DESIRED for \$1.00 when accompanied by the annexed 50 cts. coup in. In no case will we seil the brooch at the price without the DOMINION CHURCHMAN coupon. The brooch is elegant and beautifully finished, and is good value for twice the price.

We send by mail, prepaid, and guarantee satisfaction. The proprietors of this paper endorse the above statement and guarantee.
