THE EM-TONTINE RETURN PREMIUM PLAN

Provides that should death occur prior to the expiration of the Tontine period, the whole of the premiums that may have been paid will be payable with, and in addition to the face of the policy—thus securing a dividend of 100 per cent. on the premiums paid, should death occur during said period.

THE COMMERCIAL PLAN.

The large number of business and professional men who have taken out large policies on the Company's Commercial Plan, show the demand for reliable life insurance relieved of much of the investment elements which constitutes the over payments of the ordinary plans, is not confined to men of small incomes, but exists among all classes of our people.

Bad Liver and Jaundice.

Was troubled for years with bad liver and became yellow with Jaundice. Heard about St. Leon Mineral Water, went to Springs and got entirely well. That is four years ago; have used the water ever since, and have the finest health I could desire—never enjoyed life more; also my skin has regained its natural color.

BRIDGE'S FOOD FOR INFANTS INVALIDS

Is without doubt the very best of the many foods now in the market. Its great popularity is due to its intrinsic worth, as by observing "Special Directions" not only will the feeblest infant be nourished without distress, but it will furnish a full meal for the healthy, growing child. It produces bone and muscle, not a puffy, flabby skin. For prevention of (and as a dietetic in) Cholera Infantum, Diarrhoea, etc., it is invaluable. It is neutral in its action on the bowels. Send to WOOLRICH & CO., Palmer, Mass., for pamphlet free.
