

# The Housewife Is Interested In SUGAR

Mr. Grocer, the Housewife to-day is doing what she never did before in her life—she is comparing sugars.

Whenever she opens her home paper, she sees the "LANTIC SUGAR" advertisements. When she goes shopping or calling, she has LANTIC SUGAR before her on the billboards.

Naturally of an inquiring turn of mind, she asks herself, "What is this new sugar—is it better than what I have been using?" Mentally, she is already comparing sugars.

Her next move is to come to you, Mr. Grocer—and this is what sometimes happens:

"Have you LANTIC SUGAR?"

"No; Madam, but we have something just as good."

Madame is perhaps in a hurry and may take the substitute. But she is a little disappointed. She wanted to see if there is any real difference in sugars. LANTIC advertising has done its work.

The next time she runs out of sugar, she tries another retailer.

"I want a bag of Lantic Sugar."

"Yes, Madam, we have it. What else?"

Frankly, Mr. Grocer, isn't this a typical case, not only as applied to sugar, but also to other high-grade, well-advertised products.

Now that Mrs. Housewife has the genuine LANTIC SUGAR, she immediately puts it to every conceivable test possible for the sake of comparison. The results are she finds that—Lantic Sugar dissolves instantly in her tea or coffee—No waste.

Lantic Sugar is just ideal for making cakes, pies and puddings, because in making a batter, it mixes easily—No effort.

Lantic Sugar serves her as an all-purpose sugar—Can be used for cereals, fruits, etc. No other sugar needed.

Let us send you a trial order of Lantic Sugar in cartons or bags through your wholesaler.
