To SASKATCHEWAN FARMERS:

Through an arrangement made with the Saskatchewan Grain Growers' Association for the year 1915, the Association will procure through this Company, such supplies as we are handling. Saskatchewan farmers can secure supplies from us by placing their orders through the Central Office of the Association at Moose Jaw. The purpose of this agreement is to draw the different farmers' organizations closer together and, by concentrating their purchasing power, give still better service to the farmers of the three Prairie Provinces.
