GREATEST HEREFORD SALE

On March 17, Warren T. McCray, of Kent
land, Indiana, sold 75 head of Herefords,
composed of 25 bulls and 50 females, for a
grand average of \$1,287. This is not only a
record for Herefords, but also a record for
any beef breed. The nearest approach to it
was the Hereford sale of Overton Harris in
March, this year, when an average of \$1,246
was secured. The 25 bulls averaged
\$1,911.60. "Superior Fairfax", a son of
the great "Perfection Fairfax", was knocked
down at \$10,000. "Letham Fairfax", an-
other son, brought \$4,100. The females sold
by and in calf to "Perfection Fairfax" were
in great demand. "Winifred Fairfax" sold
for \$4,000, the highest priced female of the
sale, and went to Eastern Canada. Two cows,
"Hela Second" and "Miss Armour Fairfax,"
sold last winter by J. A. Chapman, Hayfield,
Man. to Mr. McCray brought \$1,525 and
\$1,675 respectively. The 85 females averaged
\$981. Fourteen sons of "Perfection
Fairfax" averaged \$2,485, and eighteen
daughters \$1,255, a total of \$57,400 for his
get, a sum greater than that ever paid for the
progeny of any sire of any beef breed. The
attendance at the sale was large, and it was
another distinct tribute not only to the re-
markable popularity of Hereford cattle but
also to the careful systematic progress of
breeding policy followed out on Orchard Lake
Farm.

GOOD CLYDESDALE SALES

Messrs. P. M. Hedd, of Calgary, have re-
ported some good sales of Clydesdale stal-
lions this spring, having just delivered to
Mr. Wright of Brinkwater, Sask. the good
draft stallion, "Royal Trustee," to Mr.
Brown, of Medicine Hat, Alta. the three-
year-old stallion, "Grand View Indian"; to
Mr. Armstrong of Birtle, Alta. the drafty
three-year-old "Western Hero"; to Mr. Al-
lan, of Cheadle, Alta. the good breeding
horse, "Monogram"; and to Mr. Nash, of
Gladys, Alta. the big horse, "Armour," all
horses of great scale and quality. They also
sold to Mr. Nash, of Maple Creek, two Welsh
ponies.

INTERNATIONAL PLANS FOR 1916

Preliminary plans for the International
Livestock Exposition at Chicago have been
arranged. This will be the first interna-
tional since 1913, the 1914 and 1915 shows
having been abandoned owing to the foot
and mouth disease invasion. It is antici-
pated that the 1916 show will be the greatest
livestock show ever yet held in America or
in the world. Two years without a show
plus the tremendous impetus given livestock
interests by present prices both for commer-
cial and breeding stock will make this the
greatest looked for event in the year amongst
stock men. R. H. Heide, Union Stockyards,
Chicago, is the general superintendent.

EDMONTON EXHIBITION FOR 1916

The price list for the summer exhibition in
Edmonton is now out. Among the features
noted are additions of \$1,000 to the prizes
for cattle, and \$175 to prizes for sheep.

The system of varying the prizes accord-
ing to the number of exhibitors in the ring
has been adopted to some considerable ex-
tent by the Edmonton Exhibition Associa-
tion this year. For instance, in the breed-
ing classes for light horses, where six entries
appear in the ring, an additional prize of
\$5 will be added, and \$5 will be added to
each prize in the class, for 5 year-olds and
over, and for horses under that age an addi-
tional prize of \$5, with \$5 added to each
prize, will be added. For heavy horses,
where the prizes have been more numerous
and more generous, in the event of 4 entries
appearing in the ring, for 5 year-olds and
over an extra prize of \$5 will be added, with
\$5 added to each prize in the class, for
horses under that age, the same principle
is being carried out, with \$5 as the added
prize. In addition to the \$1,000 added for
cattle, the same principle is again applied
for eight entries in the ring. In sheep and
swine the system is also being worked out,
while for poultry it has been gone into on a
more elaborate scale, with the idea of en-
couraging the utility breeds. The total
amount offered in each prize is \$27,180.

CALGARY SUMMER FAIR

Calgary is offering its regular list of prizes
at the summer exhibition, but in the same
basis as those awarded at the spring show.

About Those Hogs

Experienced breeders who have hogs for sale are advertising now. This
is the time when the farmer who is wanting to get into hogs is looking for
good pure bred pigs. What have you for sale?

Hog prices have been making high records of late and there is every proba-
bility that prices will stay high as long as the war lasts. Canadian farmers
are helping to feed the allied armies in Europe. Many farmers who have
not previously kept hogs are starting in now and pure bred hogs of all ages
are in demand.

The Guide's "Farmers' Market Place" is planned so as to co-operate with the readers in
advertising their own economical opening to wider markets. A glance at this page will show the
many departments into which it is divided. This affords the prospective buyer a quick method
of referring to the section in which he will find offerings in the line he intends to buy. Naturally
he will look over all the advertisements in that particular section before making his choice.
This means that every advertisement will be read by every prospective buyer. This is the
strong advantage of this classified section.

Advertising rates are given at the top of this page. Send in your order now accompanied by
the amount for the number of times you wish your ad. to run, and let The Guide demonstrate
to you, as it has to hundreds of other farmers, how it can sell.
