

THE
Commercial & Financial Chronicle,
(PUBLISHED WEEKLY, AT NEW YORK.)

A JOURNAL similar in form and character to the London Economist, has now been published in New York for several years, and has become the standard authority upon all Financial and Commercial affairs.

The very high esteem in which this paper is held in the United States, might be shown by quotations from all the leading journals of the States, which have unanimously spoken in the most flattering terms respecting it. We give the following as a specimen, from the New York Evening Post:

"A VALUABLE COMMERCIAL PAPER.—This weekly journal is an able representative of the commercial and financial interests of the United States. It presents clear and well-written statements of the business of the country, in all its branches, and its editorials are among the best upon the class of subjects to which it is especially devoted. It is worth to any business man, tenfold more than it costs."

THE
Canada Life Assurance Company.

Established, 1847.
Incorporated under Special Act of Parliament.
Amount of Capital and Funds over \$1,800,000
Assurances in force over \$4,800,000
Number of Policies in force 33,000
Annual Income over \$170,000
Claims paid for Deaths since commencement of Company over \$400,000

THIS Company was specially established for the purpose of granting to Assurers every security, advantage and facility which prudence or liberality can suggest; and so highly have the advantages it has offered been appreciated by them, that it has transacted a larger amount of Life Assurance business in Canada than any other Life Assurance institution there.

The terms and conditions of assurance are as liberal and unrestricted as those of other good companies, and the rates, which are founded on the higher interest obtainable in this country than in Great Britain, are lower than in British offices.

The following are some of its special advantages: STRICTLY CANADIAN MANAGEMENT, enabling all business to be transacted in the Province with ease and promptitude.

THREE-FOURTHS OF THE PROFITS of the Company upon Policies participating therein, are divided among the Policy-holders on the "With Profits" system, every five years. The next division is in 1870.

CLAIMS PAYABLE three months after death, or sooner, if title of claimants be satisfactory, and upon a moderate discount for unexpired time.

POLICIES WELL ADAPTED FOR USE AS SECURITIES, by the absence of many common restrictions as to travel, and general liberality of conditions for residence and travel.

TABLE OF RATES for the more general forms of Life Assurance, and every information, may be obtained at the Head Office, Hamilton, Ontario, or at any of the Agencies, which are established throughout Canada.
