Nocturnal Prowler Disturbed Poul- a dog on Gilmour street Saturday afternoon while delivering his pa

pers. The dogs of the city seem to Residents on Willian street south have a natural tendency toward bitwere rudely disturbed from their ing since their long period of confineslumbers on Saturday night by the ment and it would appear like a wise incessant cackling or lowl indicating move if the city council would rethat all was not well in several hen-coops in that section. Windows the regular meeting tonight.—Petwere raised by those whose slumbers erboro Review. were interrupted with a view to as-

certaining the cause of the unrest Residence Entered, Articles Destroyin chickendom. Nothing was seen, however, although members of the tribe kept up the disturb-(ance. One resident thought he dis-cerned a nocturnal prowler in close street, found his house broken into feathered proximity to his coop and shouted to him to "get to h_____ out of there." Sunday morning birds which had lost their morning birds which had knowing no one was home, went to lost their moorings during the night were found all over the zone where the excitement prevailed, in-dicating that something in human form had evidently visited the coops. -Lindsay Post.

Speaker Interrupted

During the service in Bond Street Congregational Church, Toronto, last night Major W. F. McConnell, organizer for Leeds in the referen dum campaign, who was delivering an address and discussing question Guard the Children one on the ballot saving that if carried the bars would come back, was interrupted by a man in the congregation stating "That is not so." Major McConnell had with him in the pulpit copies of the act, also Premier Hearst's pronouncement on the same and with the minister of the church also intervening the in-the curch also intervening the in-the curch also intervening the interrupter was eventually silenced. with colds that may hang on all Brockville Recorder and Times.

of Mr. and Mrs. Lewis Lont.

A general minimum wage for 'both men and women to apply generally to all industry throughout the province.

The appointment of a permanent commission to enquire continuously into the cost of living in various localities, and from time to time, with power to increase the min-

imum wage to such a rate as will, under all conditions, provide a reasonable living to all wage-earners.

A law fixing the eight-hour day for all industrial occupations throughout the province as applied to both men and women.

Better inspection of factories and other industries where men and women are employed, particularly with a view to the protection of the women and a more rigid enforcement of child labor regulations.

A law prohibiting employers from compelling their employees not to enter into labor unions and a recognition of the principle of collective bargaining.

Insurance against sickness and unemployment, based on the principles of English law.

Abolition of imprisonment for debt; the increase of the exemption of married men's wages from attachment, \$25 to \$40; the revision of the list of articles exempt from seizure for debt so as to leave the actual necessities of home life.

Mothers' pensions to be administered by the Department of Labor, with power to provide medical attendance and necessaries whenever required for the proper birth and up-bringing of children.
