SAINT ANDREWS, NEW BRUNSWICK, SATURDAY, DECEMBER 9, 1916

SONNET ON HIS OWN BLINDNESS

THEN I consider how my light is spent Ere half my days, in this dark world and wide And that one talent which is death to hide, Lodged with me useless, though my soul more bent To serve therewith my Maker, and present My true account, lest He, returning, chide; "Doth God exact day-labour, light denied?" I fondly ask: but Patience, to prevent That murmur, soon replies, "God doth not need Either man's work, or his own gifts; who best Bear his mild yoke, they serve him best; his state Is kingly; thousands at his bidding speed, And post o'er land and ocean without rest They also serve who only stand and wait."

JOHN MILTON (Born December 9, 1608; died November 8, 1674.)

tortured them in days gone by, giving people stepped off the narrow pavement

to have sunk into mere resignation (by that sin men have fallen deeper than even that sin men have fallen deeper than even that sin men have fallen deeper than even the temporal of the crops the locusts and the drought and to have found the singular occasionally to elocate the singular occasional occasi angels fell by pride), and to have found had spared, and the sun turned to fire.

bed-ticking, he must have gone to school, that they owed to one who, in and out of town had taken on again its air of emptiin Spain), or some old snuffy priest. continently to the Penon de la Goméra, just as a square-rigged vessel sways and Still, in his youth he could not but have with shackles on his feet. showed the promise of his life, just as For years he sweltered in the sun. musicians and great painters composed wearing the blue and white striped drill Graham.
