## MAJOR MAGNATES WILL REFUSE TO TALK ABOUT PEACE WITH FEDERALISTS

Frosty Reception is Awaiting the Outlaws on Arrival at New York—Organized Men Pretend to Feel Confidence.

NEW YORK, Feb. 10.—Major and minor league baseball magnates, gathering here for the annual schedule meetings and to consider defensive measures against the Federal League, were astonished to learn that the leading promoters of the so-called outlaw league were on their way to this city from Chicago, and that none of them had denied that it was their purpose to confer with the big men of organized baseball. All who arrived during the day expressed absolute ignorance of the object of the impending invasion of the Federal League and declared that they had no knowledge of any request or invitation for the visit on the part of either American or National League officials.

### No Affiliation

The only solution that these magnates, including Barney Dreyfuss, Charles Ebbets, C. W. Murphy, W. F. Baker and F. J. Navin, could offer was that James A. Gilmore, president of the Federalists, and Charles H. Weeghman and William M. Walker, backers of the Chicago Federal Club, desired to propose some peace pact or

compromise measure whereby the Federal League could be recognized or become affiliated with organized baseball. Should this be the object of the trip, the major league club owners indicated that the trio would receive a frosty reception. Some of them said the major leagues had nothing to offer in the way of a compromise.

President Murphy, of the Chicago Nationals said: "I ceased to worry about the Federal League several weeks ago. I had information that led me to believe it was on its last legs. I have said from the start that something more than mere money is needed to establish a big baseball league. It takes years of hard work to build up a baseball club league and clientele."

### Declines to Answer.

Murphy, when asked if he would vote against any recognition of the Federal League or efforts to compromise with its promoters, declined to answer the question direct, claiming that it would not be fair to his colleagues to express his sentiments before the meeting. When urged to state his position, he said:

"Well, if I was an admiral on a battleship and Filmore rowed along side with a 22-caliber rifle do you think I would surrender?"

President Baker, of the Phillies, was more outspoken. "The Federalists have done our club all the damage they can," he said. "Now what have I to gain by meeting these promoters for a conference. So far as I am concerned they are outside the fence and you won't find me opening the gate. At best they could only offer to return Knabe to my club, and no matter what happens, he can never play for me again."

President Navin, of the Detroit

## BREAKS A COLD IN A FEW HOURS—PAPE'S

First Dose of Pape's Cold Compound relieves all gripe misery

Don't stay stuffed up! Quit blowing and snuffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest, body or limbs. It promptly opens clogged-up nostrils and air passages; stops nasty discharge or nose running; relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only 25 cents at drug stores. It acts without assistance, tastes nice, and causes no inconvenience. Don't accept a substitute.

club, was equally emphatic on the subject, and while he said he was speaking as an individual club representative, he stated that he believed American League sentiment was against recognizing or making minor league plans for either Gilmore, Wegman or Walker.

Ebbets and Dreyfuss refused to discuss the position of the Federalists in relation to organized baseball, but intimated clearly that to their minds the major organization had no reason to fear the Federal League or its backers.

**International Dates.** The International League held a four-hour session yesterday, and adopted a playing schedule of 154 games, adjourned until 10-day. The season will begin on April 21, and conclude on September 27. The opening games were announced as follows:

**Montreal at Jersey City;** Toronto at Providence, Buffalo, at Baltimore, and Rochester at Newark. The full schedule will be made public on February 17.

President Barrow said reports were made by several club owners regarding threatened invasion by the Federal League, but although the matter was freely discussed no action was taken.

### Take Over Territory.

A representative of the Eastern League, formerly known as the New York and New Jersey League, said yesterday that should the Jersey City Club play in Brooklyn an Eastern League team, probably that of Kingston, N. Y., would be placed in Jersey City.

Later in the week the International League as well as the American Association, will request the National Commission to eliminate the draft rule, which enables the major leagues to take away their best players, so that the two class "AA" organizations may be the better able to cope with any opposition from the Federalists. President C. H. Ebbets, Jr., of the Newark Internationals, announced yesterday that Patcher Barrow had jumped from his club and joined the Federalists, presumably to play with the Indianapolis team.

**TIED WITH DUNVILLE.** NIAGARA FALLS, Feb. 10.—Niagara Falls last night defeated Wexford 3 to 2, in the O. H. A. intermediate series and are tied with Dunville for the group title. The game that will decide who will be first will be played next Wednesday at Dunville.

## EAGLE PLACE STARS LOST TO WEST END

Much Interest Shown in City League Hockey Contest.

The Eagle Place Stars made their bow to the city league last night and were handsomely defeated by the one-sided score of 8 to 1, by the West End team. They were completely out-played at every department of the game, their opponents being especially better at the combination game, which they played throughout the contest. The game started off as if the Stars were going to do something, but after about five minutes of play, the Brooklynites got going and made a series of rushes up the ice, which resulted in score after score being made, and when the half time whistle sounded the record showed that the West Enders had seven goals stowed away to their credit, while the Stars had all they could manage to do, in getting one lone tally which, was all they got in the game.

The second half was much more even, the West End-boys being able to get only one past Berry, which certainly showed that the Stars were putting up a much stronger game than in the preceding period, which was probably due to the changed line-up of the team.

There was no particular star on the West End line-up, each man doing his level best. Knight showed class several times by dashing through the opposing line and scoring. For the Stars, Lloyd on the wing, was always doing effective work, checking his man at all times. Dwyer, on the defence, made some excellent stops, which would in fact make a number of O. H. A. Intermediate men sit up and take notice. The line up:

Stars—Goal, Berry; right defence, Burgess; left defence, Dwyer; rover, Fowler; centre, White; right wing, Lloyd; left wing, McIsaac.

West Ends—Goal, Summerhays; R. defence, Knight; left defence, Hanna; rover, Tracey; centre, O'Connor; right wing, Klercy; left wing, Cassidy.

Referee, Alf. Dowling.

## HEAVY SEAT SALE FOR WOODSTOCK-BERLIN GAME

WOODSTOCK, Feb. 10.—The popularity of good clean hockey in Woodstock was demonstrated last week when a crowd of nearly 3000 people was in attendance to see the local juniors play off in a district game, but the coming semi-final fixture with the Berlin juniors on Friday night next promises to draw an even larger crowd. The reserve seat play was opened yesterday at Frank Hyde's drug store, and it was only a very short time before 400 seats were picked up. Orders coming from all over the county and places outside of the Oxford boundary line. There is little doubt that the advance sale will be the largest in the history of Woodstock, which will be going some.

The management of the hockey arena have decided to make some alterations in regard to the 35 cent section in the north side of the rink. The standing room accommodation at the rear of the 35 cent seats is to be done away with entirely and two extra rows of seats will be added, making seating accommodation on the north side of the arena for 600 or more people.

**WIARTON WINNERS.** STRATFORD, Feb. 10.—The worst defeat in local hockey history was handed the intermediates here last night by Wiarton, 10 to 0. The visitors shot oftener and truer, skated faster and used infinitely more team play than the homesters, so that the latter were never in the running. Ashley, the Wiarton centre, and Gliner were the pick, but every man is a star.

At Wiarton on Friday night, in the first of the home-and-home games, Wiarton beat Stratford by 10 to 4.

## RITCHIE AGREES TO MEET AD WOLGAST

Accepts Terms for a Ten-Round Bout at Milwaukee in March.

SAN FRANCISCO, Feb. 10.—Willie Ritchie, lightweight champion of the world, will meet Ad Wolgast, from whom he took the title, in a 10-round bout at Milwaukee some time next month. The weight is to be 135 lbs. Ritchie sent word yesterday that the financial terms were satisfactory. As there is to be no referee the title will be jeopardized only by a knockout.

Next week Ritchie will leave San Francisco for the hot springs at Paso Robles, where he expects to limber up the strained tendon in his left heel before beginning serious training. He is due to leave Paso Robles for Milwaukee on the 23rd or 24th of this month.

## FOOTBALL GUESSERS HAD A HARD WEEK

Results of Old Country Games on Saturday Showed the Uncertainty of the Sport—Exceptionally Keen Interest in Courier Competition.

Entries for the Courier soccer competition were more numerous than ever last week and the interest exceptionally keen. The glory of football is its consistent uncertainty, and this was exemplified by the results of last week's fixtures. The results were unexpected, and very few games ended as the prophets forecasted. The fact that there were several drawn matches in the competition last week made a vast difference to competitors for if there is one thing that is disconcerting in football war, it is the eternal draw. Not a single competitor got anywhere near the draw encounters. The three draw games in the Southern League were, in anything the most unlooked for, and in the majority of the coupons all these draw games were not correctly marked. Nearly all the competitors looked for the victory of Queens Park over Southampton, and for the downfall of Gillingham and Watford to Portsmouth and Exeter. The poorer combinations were, however, good enough to effect draws. In the first division results, Sunderland and Sheffield U. gave the most trouble. Under all marked Sunderland, who are topnotchers, to win, but they lost by an only goal. Tottenham were not expected to put one over Manchester United, and Chelsea was expected to sink before Preston. They came forward, in spite of prophecies and managed a draw which was another loss for the competitor. Aston met the greatest town rivals, and anything might have been the outcome of the meeting, and it was so marked, many coupons favoring either team.

Barnsley and Birmingham should have got full points from Grimsby and Hull City, and were marked to do so, but once more a division of the points spoilt good guess work. The Blackpool was well backed to beat Lincoln City and did not disappoint. Opinions were evenly divided as to the Wolves and Bristol, and Leicester Fosse and Leeds City fixtures, but very few counted on a draw for the latter.

The division that did most damage to coupons was undoubtedly the

Southern League. Scarcely a single person marked Crystal Palace to beat the league champions, which they did by the odd goal in three. Swindon were general favorites for this match, and did the unexpected when they yielded the points. The three draws are unparalleled, as coupon spoilers, whilst Cardiff to beat Coventry was the only fairly sure thing in the lot.

Raith Rovers and Kilmarnock were both good to clean up upon Hearts and Hamilton, and these two matches gave little trouble. Celtic and Clyde came to no decision on Saturday and will battle again. Celts were slightly favored for this event, whilst St. Mirren were good for victory against Dundee and they came through as expected. The Scotch Cup was the best division for coupons, and many efforts contained four correct.

In the face of this it will be seen that the competitors were last week faced with a list which worked out peculiarly, and in these circumstances it was a very good coupon which contained 50% correct. After the hundreds of efforts have been gone through, it was found that only two competitors had attained this percentage, and they are A. G. Bowtle of 43 Dundas street and Jas. Price of 22 Foster street. Bowtle had four in the first division correct and two in every other division, whilst Price got three correct results in each division except the second, in which he only gave one answer correctly.

The competitors will each receive a consolation prize upon calling at the Courier office. The success of this competition is assured by its popularity, as is proved by the many hundreds of coupons sent in.

Mr. Percy Williams, last week's winner, with 18 correct, has not yet called for his consolation, and the management would be obliged if he would call and take his prize.

The greaseproof paper in which butter, lard, etc., come from the shop should not be thrown away. If carefully removed and washed off it will be found very useful when packing the children's lunch baskets.
