Appeal to Travellers To Form Platoon An appeal is made to the members of the New Brunswick Commercial Travellers' Association to form a platoon for the 104th Battalion, under Lieut.-Col. Fowler.

There are about six hundred members of the association in this province, and a large majority of them are of military age.

The response is expected from the younger men. The appeal is made to their patriotism, and it is for the honor and safety of their homes and of Canada they are asked to enlist.

They are an intelligent body of men, who do not need to have the case argued with them to prove the urgency of the need, or the way the finer of duty points for them.

"Why are you not in khaki?" is a question that is likely to be asked of commercial travelers as well as of other young men seeking business when the real business of this country is war, and when the wheels of commerce can be kept moving by those who are not physically fit to go to war.

Lieut.-Col. Fowler will welcome a platoon of commercial men, and their comradeship will be continued in arms as on the road, with the difference that their rivalry will only be that of soldierly quality instead of trade competition.

Moreover, by enlisting they will set a splendid example at this particular time when King George himself has found it necessary because of the gravity of the situation to make a personal appeal to the manhood of Canada.

There should be no difficulty in organizing a platoon, perhaps a whole company. It is the king's business, which in this crisis is also the business of every citizen of Canada. It should appeal to none more forcibly than to the members of the New Brunswick Commercial Travellers' Association.

62nd Band to War The offer of the 62nd Fusiliers Band of St. John, to go to the front with the 73rd Highlanders Regiment of Montreal, has been accepted, and they will leave for Montreal this week, thirty strong.

WOMAN IN TERRIBLE STATE

Finds Help in Lydia E. Pinkham's Vegetable Compound.

Cape Wolfe, Canada.—"Last March I was a complete wreck. I had given up all hope of getting better or living any length of time, as I was such a sufferer from female troubles. But I took Lydia E. Pinkham's Vegetable Compound, and today I am in good health and have a pair of twin boys two months old and growing finely. I surprised doctors and neighbors for they all know what a wreck I was.

"Now I am healthy, happy and hearty, and owe it all to Lydia E. Pinkham's remedies. You may publish this letter if you like. I think if more women used your remedies they would have better health."—Mrs. J. T. Cook, Lot No. 7, Cape Wolfe, P. E. I., Canada.

Because your case is a difficult one, and doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has remedied many cases of female ills, such as inflammation, ulceration, displacements, tumors, irregularities, periodic pains, backache, and it may be exactly what you need.

The Pinkham record is a proud and peerless one. It is a record of constant victory over the obstinate ills of women—ills that deal out despair. It is an established fact that Lydia E. Pinkham's Vegetable Compound has restored health to thousands of such suffering women. Why don't you try it if you need such a medicine?
