THURSDAY'S GRAIN MARKETS.
Winnipeg, January 13.—Market displayed one of those curious anomalies
for which wheat is famous. Wednesday's close was fairly strong and cables came % lower to ½d higher and a further advance might reasonably have been looked for.
Winnipeg May opened % over Wednesd for. Had not the shorts come to the res Flax-January 1.96, May 2.03.

abiy have been looked for. Winnipeg May opened ½ over Wed-nesday's close and sold as high as \$1.08%, but eventually closed ¾ under Wednesday. The weakness was due to heavy selling by American holders, it being variously estimated that from two to three million bushels of wheat the day weak ago, was decidedly bearish to-day. This publication's report on the great deal of wheat was bought on the recent dips and the holders were weary of viewing unchanged market conditions. The trade gazed steadily upon the

two to three million business of wheat conditions. held by American speculators was offered this morning, and even at the figures chalked up, showing 448 ears lower level to which prices dropped the market would not take it all. Part of this grain was doubtless stuff the market would not take it all. Whether this American business was putting spreads on or taking them off it was not possible to ascertain. The demand for cash wheat was light and there was again very little export trade. American markets were dull but held steadier than Manitobas. Chicago May was unchanged at the close; uly % to % higher and Sep-tember % higher.

Chicago May was unchanged at the close; uly % to % higher and Sep tember % higher. Minneapolis May was down % and July unchanged to % lower. Chica ago and Minneapolis May is now selling at the same price, while in July there is a spread of nine cents.
