And the sum of 35c. per day from the 1st October, 1917, up to the time of discharge or decease.

**TO SOLDIERS OF THE ROYAL NEWFOUNDLAND REGIMENT—SERVING OR DISCHARGED—AND DEPENDENTS WHOM IT MAY CONCERN:**

It is notified for information that the Government has ordered that the following Allowances, and additions to already existing Allowances, shall be paid:

1. A Clothing Allowance on the following sliding scale:  
For men discharged up to 1st April, 1917—\$35.00.  
For men discharged between 1st April, 1917, and 1st April, 1918—\$45.00.  
For men discharged on or after 1st April, 1918—\$60.00.

2. A War Service Gratuity, in place of Post Discharge Pay, to be graduated up to six months' Pay and Allowances, exclusive of subsistence or allowances in lieu of rations and quarters. For men who have served in an actual theatre of war, or were on the strength of some recognized overseas establishment on Nov. 11th, 1918, the Gratuity is graded as follows:—  
For three years' service or over—183 days' pay and allowances.  
For two years' service and under three years—153 days' pay and allowances.  
For one year's service and under two years—122 days' pay and allowances.  
For less than one year's service—92 days' pay and allowances.

For men who have served overseas, and were discharged prior to November 11th, 1918, without having been in actual theatre of war, and for men who have served in Newfoundland only, the Gratuity is graded as follows:—  
For three years' service or over—92 days' pay and allowances.  
For two years' service and under three years—61 days' pay and allowances.  
For one year's service and under two years—31 days' pay and allowances.

In the case of an Officer or man without dependents whose pay and allowances, as above described, are less than \$70.00 for a 31 day period, a consolidated rate of \$70.00 will be paid in lieu of every 31 or 30 days' pay and allowances to which he is entitled.  
In the case of an Officer or man, with dependents who are entitled or who, before his retirement or discharge, were entitled to Separation Allowances, whose pay and allowances including Separation Allowance is less than \$100.00 for a 31-day period, a consolidated rate of \$100.00 will be laid in lieu of every 31 or 30 days' pay and allowances to which he is entitled.

If part of, or all the gratuity under Post Discharge Pay Regulations has been paid to any officer or man, the amount so paid will be deducted from the Gratuity provided for by "War Service Gratuity" Regulations.

3. Separation Allowance to wives of members of the Regiment and to other dependents entitled thereto, shall be retroactive, making it effective from date of enlistment, or from the date when entitled to receive same under authorized Regulations.

The foregoing will necessitate a large amount of accounting and additional work, and it will not be possible for the Department of Militia to make payments before the 1st of March.
