NATIONAL ASSEMBLY CONVOKED TO DEAL WITH IRAK QUESTION.

CONSTANTINOPLE, Oct. 13.

Following receipt of a communication from the British commander in Irak, Mesopotamia, on Saturday, the Turkish Council of Ministers at Ankara held a prolonged session and decided to convoke the National Assembly immediately. Alleged incursions of Turkish forces into the Mosul Vilayet of Irak have been the occasion of protests from the British Government. The Turkish Government, however, has denied the violation of status quo zone agreed upon, while the Irak boundary matter is pending before the League of Nations.

TURKS CONSIDER MOBILIZATION OF TROOPS.

LONDON, Oct. 5.

UNSATISFACTORY BUT CONCILIATORY.

LONDON, Oct. 10.

The British foreign office considers the reply of the Turks to its representation regarding alleged violations of the status quo in Irak (Mesopotamia) as unsatisfactory but conciliatory in tone. The feeling is that the note does not make the situation unusually grave. Premier MacDonald has ordered an investigation of the present state of affairs, after which it is expected another note will be sent to Ankara.

WOMEN FAVOUR COMPLETE PROHIBITION.

TORONTO, Oct. 13.

Without a dissenting voice the National Council of Women of Canada went on record at to-day's meeting as being in favor of complete prohibition of alcoholic liquors as beverages in Canada. Opening to-day's session a report from the committee on taxation was received, together with a resolution calling upon the Federal Government to alter the present income tax laws. This resolution caused the most strenuously fought-out division of opinion seen to date.

LABOUR PARTY AND THE COMMUNISTS.

LONDON, Oct. 13.

Despite the resolution passed at the recent Labour Party Conference here against the admission of Communists as Labour Party members, the Labour Party has decided to support the candidature of W. Paul, a Communist, who was in the three-cornered contest there on December 12, 1923, when Charles Masterson, Liberal, was elected; and also in North Battersea, where the Communist S. Saklatvala has been nominated for the Labour Party. He was a member of the House of Commons when the Baldwin Government was dissolved but failed in re-election last December.

was negotiating for \$150,000,000 and that Belgium was insistent that her demands be given immediate attention. The United States of the German loan, \$100,000,000 will be produced on schedule time to-morrow. International bankers connected with the J. P. Morgan & Co. group said. The financial district information, accepted as true through lacking information of the Morgan House, says that the banking commission for handling the German business will be in the neighbourhood of five points a usual margin in transactions of this kind.

SPEAKER WILL NOT BE OPPOSED.

LONDON, Oct. 13.

J. H. Whitley, Speaker of the House of Commons and Liberal member of the late Parliament for Halifax, Yorkshire, will not be opposed by Labour in the present election. Although the Labour Party in Halifax about two weeks ago, before anyone thought there would be a general election so soon, decided to put a candidate in the field, the party has now decided not to do so.

THE END WAS PEACEFUL.

PARIS, Oct. 13.

The death at Tours of Anatole France, created a profound impression throughout the country and the newspapers to-day print columns about his life and works. The aged writer's long struggle against death had been watched with intense interest and his vitality amazed the doctors. Weeks ago they announced that his death was only a question of hours, yet he held his own and even made surprising rallies. Almost to the end he maintained consciousness and lucidity. Only yesterday he lapsed into semi-consciousness, murmuring in a faint voice from time to time "I am dying," and calling for his mother. The end came peacefully without a struggle shortly before midnight in the presence of his wife and faithful physician.

Cuticura Heals Itching Eczema On Arms and Face

I could not put my hands in water, neither could I do my regular work. At night I lost my rest on account of the irritation."

"The trouble lasted about a month. I began using Cuticura Soap and Ointment and they helped me and after using two cakes of Cuticura Soap and two boxes of Cuticura Ointment I was completely healed." (Signed) Mrs. Leon Hallock, 104 Atkins St., Bellows Falls, Vt.
