THE REASON WHY
 Dr. Wheeler's Compound Elixir of Phosphates and Calceya is called a Chemical Food and Nutritive Tonic, because Phosphates constitute more than half the material of the human body, and are absolutely essential to the growth of Bones, Muscle and Nerve, which cannot attain full development without them. They promote a good appetite, perfect digestion, create pure, healthy, vitalizing blood, and supply the waste constantly going on in the system as the result of mental and physical exertion. Being combined with Calceya, the Peruvian Bark, the only specific for Chills and Fever, and that condition of Nervous Prostration and General Debility arising from low vitality and exhaustive diseases, it forms an elegant and agreeable, invigorating Tonic, purely physiological in its action, that may be taken safely under all circumstances, and all diseased conditions of the body, as it builds up the constitution in the same manner as our daily food.
 Sold by all Druggists at \$1.

POSITIVELY A FACT.
Mustard's Catarrh Specific
 Cures Catarrh, Cold in the Head, Neuralgia, Toothache, Nervous and Sick Headache, Weak and sore Eyes. The Specific for new remedies, prepared from Medicinal Berks, Boots, Gums and Flowers. Free from poisonous Drugs, it is harmless, novel, and philosophic in its operation. Try it if you are afflicted with the above diseases. It is also one of the best Cough and Croup Remedies extant.
 Mustard's Vegetable Pills should also be used in connection with the Specific for Sick Headache and Catarrh; and those who are afflicted with Rheumatism should try Mustard's King of Oils.

 The Largest of any Company in the World.
 This Society has led the van in the Insurance world for many years; it has introduced more improvements and given greater impetus to the industry than any Life Company in the United States, and is deserving in this respect of the praise and gratitude of the community.
 There are many reasons for selecting the Equitable Life Assurance Society.
 1st—No company has such large annual transactions, thereby infusing into its business a constant accession of fresh and selected lives, which is one of the greatest elements of strength.
 2nd—Liberalty in dealing with all claims: observing at the same time a due regard to the interests of its present large body of policy-holders by a firm resistance to any attempt at imposition.
 3rd—Perfect organization in every department, which renders official information easily attainable and secures a complete administration of its affairs.
 4th—Being one of the most progressive institutions of its kind in the world, it is ever prepared to seize at once upon all the improvements in the business that science can suggest.
 The Equitable Life Assurance Society is ever recognized firm of policy, and especially so.
FORTUNE SAVINGS FUND INSURANCE
 1st—No company has such large annual transactions, thereby infusing into its business, without in any respect infringing upon the normal results for which Life Insurance was first instituted.
 The EQUITABLE feels that it has the strongest claims upon public confidence. Under the management that distinguishes it and the principles by which it is guided, perfect security is given for the future, than which no greater inducement can be held out to all who wish to insure their lives.
 Further information regarding the different kinds of Policies issued by the Society can readily be obtained at
 THE COMPANY'S OFFICES, 120 Broadway, New York.
 Or from any of its representatives throughout the United States and Canada.
