All were killed outright with the exception of Mrs. Frid, who was taken to the city on the train, but passed away on the station platform.

That cheese factories will be a thing of the past in Oxford county within two years is the statement credited to Robert W. Johnston, cheesemaker. "Since coming to Woodstock I have seen thirty factories go out of business in this immediate district," said Mr. Johnston, and he added that in the part of Western Ontario through which he travelled he knew of more two hundred factories which have ceased manufacturing cheese.

Possibly the highest sale of leaf tobacco ever recorded in America was realized by a hundred or more growers of Virginia bright tobacco in the Leamington district, when F. R. Gregory, manager of the Imperial Tobacco Co. purchased their crops. Twenty-six growers, who had 398 acres under cultivation, received \$826,995, or an average of \$555.50 per acre, the average price per pound being 58 1-10 cents per pound. "During the thirty years that I have been in the business," said Mr. Gregory, "I have never seen this record equalled and I doubt if four hundred acres of tobacco ever sold for so large a sum before."

### PEACE, PERFECT PEACE

Yes, we have peace. But we will never have perfect peace until we have paid its price. Canada has hundreds of millions yet to pay before perfect peace is with us.

This year Victory Loan will take the load of war bills off our backs and give us a lift into a prosperous future. The loan is the price of perfect peace.

### HEARST GOVERNMENT DEFEATED

PREMIER AND FIVE CABINET MINISTERS LOSE THEIR SEATS

U.F.O. Strongest Party in Legislature—Coalition Government Probable

The elections in Ontario resulted in the defeat of the Hearst Government and at the same time demonstrated that the farmers' movement has become a dominant power in provincial affairs. The huge majority of the Conservatives in the last Legislature has been swept away, and according to the figures announced on Monday, take third place in the standing of the parties in the new Legislature.

In the rural districts the farmers swept everything before them, electing 41 U.F.O. candidates, a result that must have surprised even the most sanguine in their ranks. In the urban centres Labor, which presented a united front, made big gains. The Liberals hold the second place in the contest, being one or two ahead of their former opponents, the Conservatives, while their leader, H. Hartley Dewar, was returned in South-west Toronto by the remarkable majority of 5,000.

A feature of the fate that has overtaken the Government is that the Prime Minister and no fewer than four of his ministers went down to defeat: Hon. F. G. Macdormid, Hon. W. D. Macpherson, Hon. I. F. Lucas and Hon. T. W. McGarry.

In Centre Huron the former leader of the Opposition, W. Prandfoot, was defeated.

The new Legislature will be composed practically of new men, only some twenty members of the late Legislature being re-elected.

A meeting of the U.F.O. candidates is being held in Toronto and Hon. T. Crerar's name is suggested as the one who is to become their leader. H. Hartley Dewar, the Liberal leader, states that he should be the next Premier and that he can form a coalition government with the U.F.O. and Labor. Sir Adam Beck and Hon. Dr. Cody are also suggested as leaders of a fusion government.

### "NELSON DAY" DRIVE

#### Appeal of the Navy League Is Directed To All Classes of Citizens

Canadians all over the Dominion will remember how in September of last year the Navy League of Canada made an appeal for one million dollars for the relief of the dependents of dead and injured seamen of the merchant marine who were the victims of the German submarine campaign.

It will be remembered how under the name "Sailors' Week"—thanks to the thorough-going co-operation of the public with the workers—the campaign was a complete success and the objective was reached and passed.

The Navy League of Canada again appeals to all citizens for funds urgently required to carry on its work. The "Nelson Day" campaign has been launched and on Oct. 21, 22, 23, the sum of \$500,000 will be raised by voluntary contribution.

The money will be devoted to the payment of the debt of gratitude to the Canadian seamen lost in the war; to provide protection and home comfort for seamen who come to Canadian ports; to educate the people to the need of a strong navy and a strong mercantile marine, and to train native-born lads for service in the navy and Canadian merchant ships. All the money accruing from the "Nelson Day" campaign will be spent in Canada.

### THE VISIT OF THE PRINCE OF WALES

The Prince of Wales will end his Canadian tour in a few days, much to the regret of all Canadians. He has certainly endeared himself to all who have had the good fortune to meet him. A splendid portrait of the Prince, size 16x22 inches and bearing a copy of the Prince's autograph, has been issued by the Family Herald and Weekly Star, Montreal. Every subscriber for 1920 is to receive a copy of the portrait free. The Family Herald and Weekly Star has been vastly improved lately and is without doubt the greatest value for the money the world over. The subscription price is \$1.25 a year, including the Prince's portrait. To old and young, rich and poor, the Family Herald and Weekly Star is a great favorite and the publishers are to be congratulated in supplying such a handsome portrait of the Prince. As might have been expected the Family Herald and Weekly Star's circulation is increasing by leaps and bounds. It is in the highest sense a great paper.

William Breen, of Tweed village, awoke on Monday to ascertain that he was totally blind. Some years ago he lost the sight of one eye, and some time during Sunday night the bursting of a blood vessel in the retina of the good eye destroyed the sight.
