Life and Character Reading.

APRIL 20.

People born on this date have little use for money, except as a means of helping others. They have no wish to hoard, although they do not throw it away recklessly, and they are always ready to divide it with others.

These people much prefer lending their assistance with money, rather than by an expenditure of time or sympathy. They have great powers of concentration, and make the best of their metaphysical powers, by projecting their thoughts to great distances and hit the mark.

It takes but little to rouse the "taurus" born to anger, and once aroused they become utterly unmanageable.

Steel workers, mechanics and engineers will be helped greatly by the use of the Want Ads.

Notice to Creditors of Eliza Norah Bullen.

NOTICE is hereby given that all creditors and others having claims against the estate of Eliza Norah Bullen, who died at London, Ontario, on the 25th day of January, A. D. 1922, are required to pay, or before the twelfth day of May, A. D. 1922, to the undersigned, J. J. Martin, Executor, Ontario, their names and addresses and full particulars of their claims.

ANY CLAIM after said last mentioned date the executor will proceed to distribute the assets of the deceased amongst the parties entitled, having regard only to the claims of which he shall have then had notice.

ALEXANDER O. JEFFERY, Solicitor for Alex. Martin, the executor.

BOTHWELL

Special to London Advertiser.

BOTHWELL, April 19.—The fire department had three runs Tuesday to small blazes. The chimneys of J. J. Vincent and Mrs. W. R. Hickey caught fire, and the stockyards of the G. T. R. A high wind was blowing, and only the prompt response of the fire brigade prevented a serious fire.

The Junior Epworth League of the Methodist Church gave a very successful concert in the town hall Monday evening. The children each gave their parts in a very creditable manner.

D. Hoover has purchased a radio-phonograph in Detroit, and is installing it in the town hall.

The young people celebrated the end of Lent with a very successful ball in the town hall Monday night. A very enjoyable time was spent by the large crowd that attended.

The Anglican, Baptist, Presbyterian and Methodist churches held successful revival services in the different churches last week. Easter Sunday united service was held in the town hall, with a large choir from the different churches, that gave splendid music. Rev. Mr. Beil and Rev. J. C. Kerr each spoke eloquently. The beautiful flowers that decorated the platform were the gift of Mrs. (Dr.) Fairbanks of California, a former Bothwell girl.

Miss Ardith Pope, who has been very ill with typhoid at her school near Thord for the past eight weeks, returned to her home on Thursday. She was accompanied by her mother and Miss Hattie Ellwood.

HALIFAX EXPLOSION WRECKED HER NERVES

The reader will, no doubt, remember when a few years ago there was a collision in the Halifax, N. S., harbor, and one of the munition ships was blown up, causing great loss of life and laying a large portion of the city in ruins, and causing a great deal of suffering and distress among the inhabitants.

Mrs. Winfield Dill, now of Windsor, N. S., was living in Halifax at that time and went through this trying experience and the shock wrecked her nerves. She writes as follows: "I was living in Halifax at the time of the explosion, and it wrecked my nerves, so that I could not do my housework. I would take such nervous spells I would be under the doctor's care."

I saw Milburn's Heart and Nerve Pills advertised, so I took two boxes, and they helped me so much I took six more, and now I am completely relieved. I can recommend them to anyone suffering from heart and nerve trouble."

To all those who suffer from nervous shock we would recommend our

MILBURN'S HEART AND NERVE PILLS

as the best remedy to tone up the entire nervous system and strengthen the weakened organs. Milburn's Heart and Nerve Pills are the original heart and nerve food, having been on the
