WARSHIPS OF ALLIES REMAIN AT SMYRNA Commanders of Vessels Ordered To Fire If Turks

Attack. FRENCH WORRIED

Kemal Pasha Faces Difficulties in Keeping Troops in Check.

Associated Press Despatch. Paris, Feb. 9.-The Allies are standing firmly on their position; in regard to Smyrna, it was declared last night at the foreign office, and their small fleet there was reinforced during the day by the British cruiser Curacoa. The commanders of the vessels have been instructed not to leave in obedience with the Turkish demand that they evacuate the harbor, and are under sealed orders to open fire if attacked by the shore

batteries. The United States and Dutch war craft are expected to leave the port. was said, because they are not in the same position as the Allies, inas-much as the United States and Holland are not signatories Holland are not signatories of the armistice arranged with the Turks at Mudania. The foreign office is they must have done so since the would be placed in a difficult position of action between the Allied fleet and Turkish batteries

The French government very much exercised over the situation, although it is felt that the Turks against Great Britain and France.
The question now, it is thought, is whether the Angora of Smyrna, will be able to keep the Turkish officers at that port in hand
