5000 Feet of this Favorite Brand of Hos Purchased by the City Last Night.

At the meeting of the city council last night it was decided to purchase 5000 feet of the celebrated brand of Maltese Cross rubber fire hose. An effort to divide the order between rubber and cotton brands was talked and voted down, several of the aldermen giving it as their belief that after strict investigation rubber hose was far more serviceable and ahead of the cotton article. Ald. Millichamp, chairman of the waterworks committee, who occupied the mitte

chair while the council was in con considering the purchase, was called upon to give the result of his inquiries during a recent visit to Rochester, Cleveland and

Columbus. Ald. Millichamp said he had made it his special duty to find out how the Maltese Cross stood in those cities, and he was assured that its reputation for durability and pressure was A 1. Ald.

durability and pressure was A 1. Ald. Hastings, who accompanied Ald. Milli-champ, offered similar testimony. Nearly the whole council of 33 members were present and about two-thirds of the meeting strongly favored rubber over cot-ton, and the Maltese Cross in particular. The Gutta Percha and Rubber Manufac-turing company, makers of this hose, is to be congratulated on securing the contract. Theough the exertions of their Canadian agent, and partner, T. McIlroy, jr., the company are now erecting in West Lodge avenue, Prarkdale, a suburb of Toronto, a \$250,000 rubber factory, which will be company are now erecting in West Lodge avenue, Prarkdale, a suburb of Toronto, a \$250,000 rubber factory, which will be equipped with all the latest and best machinery known for the manufacture of vulcanized rubber. The factory will be opened about Sept. 1 next. Among the largest recent purchasers of this hose is the city of New York, which within the past two years has ordered 50,000 feet. San Franciseo on Feb. 7 last purchased 10,000 feet, making nearly 100,000 feet of Maltese Cross now in use in that depart-ment. Mr. Alfred Perry of Montreal, during his recent inspection of the To-ronto fire department, reported very favorably as to the staying qualities of the Maltese Cross.
