Toronto

Toronto, April 6.—Receipts at the
Union stockyards to-day were 61 cars,
with 1,002 cattle, 133 calves, 908 hogs
and 35 sheep and lambs.

There was a fair, steady market at
yesterday's prices for practically all
grades of butcher cattle. The average
quality was poor and nothing of extra
quality offering. Three loads of choice
heavy cattle sold yesterday afternoon at
\$8. The top to-day was around \$7.85,
though very few lots got as high as \$7.50,
the bulk going around \$7 to \$7.30. There
is an active demand for cows, the choicest
selling as high as \$6.75. A fairly active
demand for stockers and feeders kept
butcher cattle buyers a little busier than
they otherwise would have been. The
prospect of early stock feeding has stimu-
lated the stocker demand.

Good veal calves steady.

Choice yearling lambs firm.

Hogs continue firm, quite a few decks
selling today at \$9.25, weighed off cars.

Choked for Air. Some little irritant
becomes lodged in the bronchial tubes,
others gather, and the awful choking of
asthma results. Nothing offers quite
such quick and positive relief as Dr. J.
D. Kellogg's Asthma Remedy. The
healing, soothing smoke or vapor pen-
etrates, clears the passages and gives un-
told relief. Usually it completely cures.
It is the sure remedy for every sufferer.
