## LET US REASON TOGETHER.

### HOLLOWAY'S PILLS.

WHY ARE WE SICK?

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the Weak, the Nervous, the Delicate, and the Irritable, of all climates, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the best remedy for the world ever saw for the removal of disease.

### THESE PILLS PURIFY THE BLOOD

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

### DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to those organs, however much deranged, and when all other means have failed.

### GENERAL DEBILITY AND ILL HEALTH.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses.—Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

### FEMALE COMPLAINTS.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no family should be without it. *Holloway's Pills are the best remedy known in the world for the following Diseases:*

## AYER'S PILLS,

A new and singularly successful remedy for the cure of all Bilious diseases—Costiveness, Indigestion, Jaundice, Dropsy, Rheumatism, Pains, Gout, Humors, Nervousness, Irritability, Inflammation, Headache, Pains in the Breast, Side, Back, and Limbs, Female complaints, &c. &c. Indeed, very few are the diseases in which a Purgative Medicine is not more or less required, and much sickness and suffering might be prevented, if a harmless but efficient Cathartic were more freely used. No person can feel well while a cative habit of body prevails; besides, it concentrates serious and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is alike true of Cholera, Febrile symptoms, and Bilious derangements. They all tend to become or produce the deep seated and formidable distempers which lead the doctors all over the land. Hence a reliable family physic is of the first importance to the public health, and this Pill has been perfected with consummate skill to meet that demand. An extensive trial of the virtues of Physicians, Professors, and Patents, has shown results surpassing anything hitherto known of any medicine. Cures have been effected beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth.

Amount the eminent gentlemen to whom we are allowed to refer for these facts, are:—

PROF. VALENTINE MOTT, the distinguished Surgeon of New York Hospital, and President of the Port of Boston, and Geologist for the State of Massachusetts.

DR. A. A. HAYES, Practical Chemist of the Port of Boston, and Geologist for the State of Massachusetts.

## A MARVELLOUS REMEDY FOR A MARVELLOUS AGE!

### Holloway's Ointment.

#### THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to and organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

#### ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS

No remedy has ever done so much for the cure of diseases of the Skin, as this Ointment. It is so simple, and so easy to use, that every person may use it with confidence. It is so powerful, that it will cure the most obstinate cases of Erysipelas, Scoury, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence.—The inventor has travelled over many parts of the globe, visiting the principal hospitals dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

#### SORE LEGS, SORE BREASTS, WOUNDS & ULCERS

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

#### PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed over the parts affected, and by otherwise following the printed directions attached each pot. Both the Ointment and Pills should be used in the following cases:—
