

REFRAIN.

Good will on earth, to all men peace ;
 His love to us for aye He brings.
 And so to Thee, our hearts reply,
 We give our homage, King of Kings

TO KATIE.

Dear friend of mine ! Thou art
 A help and comfort true ;
 And ever hast been since I formed
 Eternal love for you.

My sorrows and my joys,
 Both to thee I have shown ;
 And kinder thou hast been to me
 Than any I have known.

Thy gentle sympathy
 Has been my guiding star.
 May strangers prove as good to thee,
 If thou should'st roam afar.
