"The Life of Christ for the Young," by Geo. L. Weed, is meeting with a cordial reception from readers of FARMING. It is proving an attractive book premium; and why not? Who would not exert themselves to secure a dollar subscription from a friend that they might receive this handsome book without charge? Hundreds are doing it; why not you? We give some particulars:

## Dollar Book Free

"The Life of Christ for the Young," by Geo. L. Weed, is a book of about 400 pages, with 75 full-page half-tone illustrations that add very much to its attractiveness. We think ourselves it is one of the most complete books of the kind that has been published in many years. The author is peculiarly well fitted to write such a book, possessing a grace of style that makes it interesting to all children. He writes from knowledge of the Holy Land, having personally visited there and gathered data and observed for himself. The illustrations are so numerous that they bring out the most important features of the text in a manner not often done in books of this character.

It is bound in handsome cloth, with embossed front cover. Publisher's price \$1.00.

—This book will be mailed post-paid to any  
—present subscriber sending one new yearly  
—subscription.

Present subscribers to FARMING (not in arrears) may receive a copy post-paid on receipt of 50c., half publisher's price.
