

OUR COMPETITORS —

ASK WHY IT IS
THAT THE

WORLD RENOWNED

PENBERTHY

AUTOMATIC INJECTOR

IS UNIVERSALLY RECOGNIZED AS THE
WORLD'S STANDARD . . .

WE ANSWER —

○ **FIRST: STEADY IMPROVEMENT.**

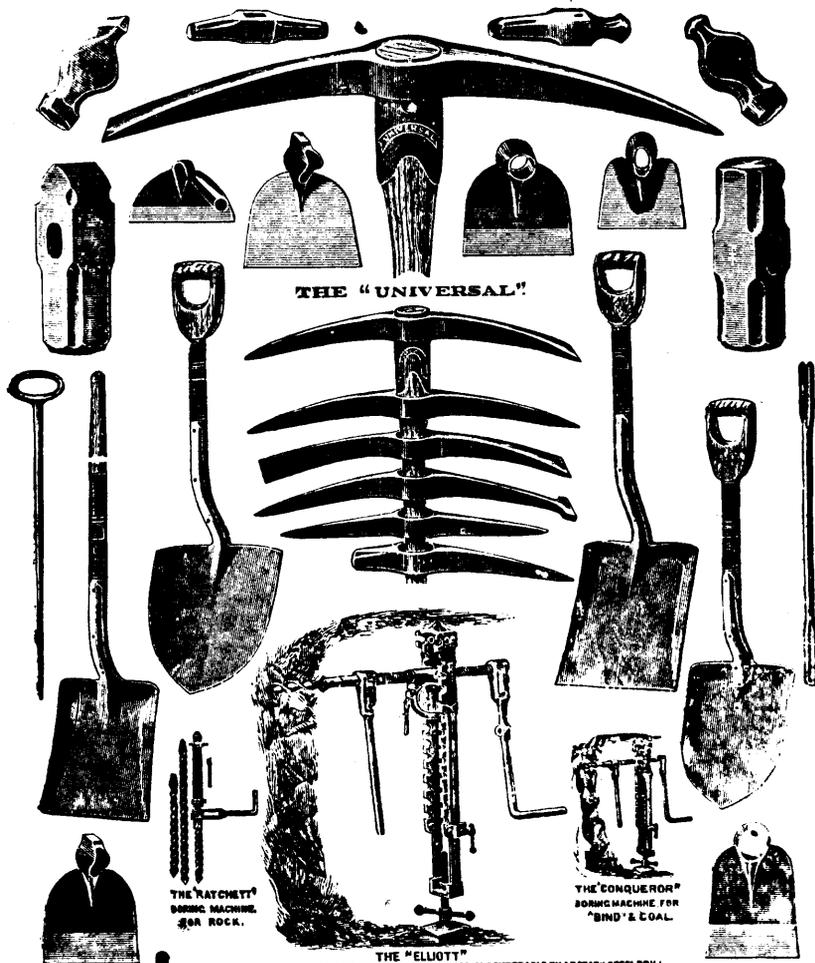

In the Spring of 1887 the "PENBERTHY" made its first appearance. From that time until the present it has been improved in some particular each year, until it has reached as near absolute perfection as an automatic injector can be brought.

99½ PER CENT. EFFICIENCY SHOWN BY ACTUAL TEST.
